## HIGHVIEW SCHOOL LEADERS 2017

Student Leadership at Highview is authentic and respected. Congratulations to our School Captains, Keely McDonald and Luke Tatchell and School Leaders Tashana Rendell, Decara Jones, Andrew Gray and James Judd. These School Leaders mentor Student Councils at each level: Junior Secondary, Middle School and Senior School.

Christ's example of leadership through service epitomises the manner in which our School Leaders conduct themselves. They are compassionate, kind, creative and courageous. They have made a wonderful start and we are very proud of them.

Ms Melinda Scash  
Principal

## JUNIOR SCHOOL COUNCIL

The Junior School Council this year hopes to achieve great things! Starting off small we are looking to get Year 7 and 8 students in a 'Relay For Life' team, as well as doing other small jobs around the school, such as raising the flag each Monday and taking it down on Friday. Over the course of the year, we hope to gain feedback about what students like and dislike, and plan to make changes according to the voice of the students.

Andrew Gray & Decara Jones

## MIDDLE SCHOOL COUNCIL

The Middle School Council consists of students from Years 9 and 10 who were elected to represent their year levels and share ideas, interests and suggestions for improvement for their school. The Middle School Council is led by Luke Tatchell (School Captain) and myself (Deputy School Captain) with the assistance of the Middle School Coordinator Mr Chris Egan. Currently, the council is organising an out-of-uniform day to fundraise for World Down Syndrome Day to help support those with Down Syndrome.

Tashana Rendell & Luke Tatchell

## SENIOR SCHOOL COUNCIL

Highview's first School Council meetings have been held with great success for all involved. The new Senior School Council (Year 11 and 12) has met and discussed student ideas on key topics that matter most to them, including representing Highview at Maryborough's 'Relay for Life', demonstrating school pride in wearing Year 12 jerseys and adjustment to the new no bell policy. We are excited to amplify Highview's student voice in a way it has not been possible before. It's going to be an amazing year to come.

Keely McDonald & James Judd

## GREAT YEAR 8 DAY IN ANGLESEA

Year 8 students ventured to Anglesea for a day in the surf. When we arrived we split into two groups, we were either doing kayaking or surfing or playing games on the beach. The activities were awesome! The beach was beautiful; it was a perfect day. I am sure that everyone had a great time! Thank you girls, for the beautiful singing on the bus to and from Anglesea. Thanks to all of the teachers who made the excursion possible.

Lani Harman - Year 8

## PANCAKE RACE

On Shrove Tuesday the great Highview Pancake race took place. A group of enthusiastic students from Years 7 to 9 participated for their House colours. The conditions were very challenging with the intense heat. The results were extremely close:

- 1st Butler
- 2nd Campbell
- 3rd Wesley
- 4th Chisholm

# ICCES

Congratulations to our students who travelled to Melbourne to compete against other Independent Schools in Swimming, Badminton & Table Tennis. Teams in both Badminton and Table Tennis made finals which was a great effort. Our swimmers all performed well, with some outstanding performances in their year level events from:

Lachlan Bates - 1st Freestyle, 3rd Breaststroke, 3rd Butterfly and 4th Backstroke.

Emmerson Wood - 2nd Freestyle, 3rd Backstroke and 3rd Butterfly.

Chelsea Chew - 4th Freestyle.

## WORLD DAY OF PRAYER

## CANOEING ON THE RES

The Year 9 Outdoor Pursuits class went canoeing at the Goldfields Reservoir here in Maryborough. It was a good experience for those who haven't been canoeing before and even more fun for those who have. It definitely was not as easy as we thought it was going to be. We had to learn to steer and hold the paddle correctly.

When we got the hang of it, we were challenged to do some activities such as standing on the canoe, which took a lot of concentration and co-ordination and paddling around the lake touching every buoy with our partner which required teamwork and communication. We had a ripper day and we are keen to experience this again.

Deanna Dellis – Year 9

## HIGHVIEW HISTORY COMMITTEE

Just after Founders Day in March, our first Highview History Committee meeting was held in the new Board room. Those attending included: Kevin & Irene Lloyd, Wendy Hare, Geoff James, David Bucknall, Barb Neilsen, Kylie Moore, Trish Walsh, Peter Harris, Mike & Margaret Lovell and Val Dwyer. Photos from the Geoff James era were on display and enjoyed by all. The purpose of the gatherings, which are held on the first Monday or every month is to share stories, preserve treasures, record memories and celebrate the history of 'The Convent' and the first ecumenical school in the world, Highview College.

## SENATOR'S VISIT

Senator Bridget McKenzie and Cate Mercer-Grant (Media & Communications Advisor to the member for Wannan, Dan Tehan MP) visited Highview College in March to discuss our plans for the future. They were extremely impressed with our MasterPlan, the current growth in student interest in the Sciences, our focus on academics and in our commitment to ensuring every young person who wants to is able to access a Highview Education. We look forward to having future meetings once these projects have been thoroughly costed and planned. These are exciting times for Highview College.

## Conveyance Allowance

## Camps Sports and Excursion Fund (CSEF)

CSEF is provided by the Victorian Government to assist families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means tested concession card or are a temporary foster parent, you may be eligible for CSEF.

The CSEF is paid directly to the school and is allocated to the school camp/excursion portion of the school fees.

## SUN SMART

As a Sun Smart school, we place great importance on observing Sun Smart practices. These include the compulsory wearing of hats during recess and lunchtimes and for all outdoor class activities in Term 1 and Term 4. School hats are available from Macks and are the only acceptable headwear. This information is also included in the Student Planner.

We also recommend the wearing of sunscreen, which is available at any time Reception and the Gym.

Remember Slip, Slop, Slap, Seek, Slide.

Highview College has moved to continuous reporting in 2017 powered by the market-leading learning management system, SEQTA. This allows parents and guardians to have real-time and accurate access to results, feedback, and resources when it is relevant to them. Access is provided through our parent portal, 'Highview Engage'.

Already approximately 77% of Highview College students have at least one parent registered to access 'Highview Engage'. The benefits of having this access include:

- Being able to see task requirements and due dates to allow for improved organisation and planning
- Having access to feedback on tasks as it is provided by the teacher, ensuring that results and feedback are never lost
- Real-time engagement with content and ideas explored within the classroom, including access to relevant resources.
- The ability to engage with the College more easily with regard to pastoral care, absences, access to timetables, and communicating with teachers.

Many parents who login to Highview Engage have recognised the benefits it will provide to them and their students. Some of the positive feedback we have received include:

'Highview Engage is beneficial as it has everything accessible at our fingertips.'

'A benefit is that I can see how my child is progressing throughout the term rather than waiting until parent/teacher/student interviews or end of the year so that any perceived issues he has at school can be addressed sooner rather than later.'

'I don't need to bug my kids about when homework is due – I can login and see it for myself and help them stay organised.'

'I love to see my son get constructive feedback so he can improve along the way.'

'Highview Engage is extremely user-friendly. I login twice a week to see what is coming up and find out what has happened.'

'Overall this is a great initiative by Highview and I look forward to the year ahead. I do hope all teachers embrace SEQTA knowing that there are parents like me who will appreciate their feedback throughout the year.'

If you are interested in registering for an account or have any questions about the system, please do not hesitate to contact Mr Cory Skilton (Head of eLearning and SEQTA) via email at [seqta@highview.vic.edu.au](mailto:seqta@highview.vic.edu.au).

## MUSIC AT HIGHVIEW

### INSTRUMENTAL MUSIC

We are pleased to announce that our Instrumental Music Program has been extended in 2017 to provide our student's opportunities to participate in a range of performing groups (e.g rock band, contemporary groups, etc).

The Extra-curricular program promotes teamwork and community involvement through regular rehearsals and public performances. It is a fantastic opportunity for students to be involved in an extension of their academic study in order to receive a well-balanced schooling experience.

Students in the program attend a 40-minute band rehearsal during a lunch time each week with other students who have similar musical skills and experience. Currently, the intermediate band is rehearsing on Friday, while the Junior Band will rehearse each Wednesday. Rehearsals will commence in Term 2.

### RENOVATIONS OF OUR MUSIC CENTRE

We are currently planning for a huge renovation in our Music Centre in order to enrich our curriculum offerings with 21st-century music technology, as well as providing students access to instrumental rooms purposely built for private music lessons.

A fully equipped recording studio with three soundproofed recording booths is one of the features in our Music Centre. Students will have access to the studio through classroom Music and Instrumental Music programs.

We are grateful for the support of the 'P&FA' who are assisting us financially to create our very first music lab in our music classroom. The lab has the latest Digital Audio Workstation (DAW) setup for our students to explore, manipulate, create, record, and generate sound on a digital platform. The curriculum design for integrating the DAW is mainly project-based learning and students will be able to produce projects such as music and sound effects for games and movies, creating ring tones, sound sampling for talking robot and virtual instruments.

These are exciting times for Music at Highview College.

Mr Jerry Lau  
Music Co-ordinator

## CAREERS

### WORK EXPERIENCE

All Year 10 students need to be reminded that they are required to do Work Experience this year. Work Experience week is Monday 26 June to Friday 30 June, which is the last week of term 2. If you haven't already started looking for a work place then it is probably timely to investigate areas of employment that interest you and enquire with prospective employers. If you intend completing Work Experience in an industry based work place eg. electrical, plumbing, carpentry etc. then you will also require a White Card to work onsite. This can be arranged through the school and depending on numbers, will cost between \$140 - \$150. This qualification has no expiry, therefore, will be valuable for future use. If you have difficulty finding placement please call into the Careers Office where Work Experience forms are also available.

### UMAT

Are you in Year 12 and considering a career in Medicine or Dentistry? Then you will need to sit the compulsory UMAT (Undergraduate Medicine and Health Sciences Admissions Test). Registrations are already open and close at 5pm on 2 June 2017. The UMAT takes place on 26 July 2017 and results released late September. There are a number of companies that offer UMAT preparation courses. For more information visit the Careers Office.

### INSIDE MONASH SEMINAR SERIES

Students can come and get the inside story of what it's like to study at Monash. Seminars will feature perspectives from a current student, a graduate and an academic. It's a great way for students to research their course options at Monash and experience first-hand what it might be like. Registrations are essential and session book out early. Students can register at [www.monash.edu/inside-monash](http://www.monash.edu/inside-monash)

### LA TROBE UNIVERSITY NEWS

Parents can attend the parents' session if they wish covering topics like university costs, courses and admissions. When: Melbourne: 9.30am – 4.30pm, Fri 7 April & Thurs 6 July; country campuses have Experience Days later in the year. Registrations and information: <http://www.latrobe.edu.au/experience/events/experience-la-trobe-events>
- ASPIRE – La Trobe has offered the ASPIRE program for three years now. ASPIRE students have shown

a significant commitment to their community through volunteerism, service and leadership. As a result of this, ASPIRE students are able to access a place at La Trobe on a significantly lower ATAR than otherwise required. Many employers indicate that volunteer experience gives candidates an advantage, and ASPIRE students are leading the way in employability. More information on applications for 2018 later.

Swinburne is both a university and a TAFE provider. Its main campus is in Hawthorn, right by Glenferrie station. It also has campuses in Croydon and Wantirna. It offers courses through from Certificates to Doctorates.

- **SCHOLARSHIPS** - From 2017 onwards, scholarships of \$5,000pa will be automatically offered to Swinburne applicants who receive an ATAR of 95 or more (no separate application required). - **NEW COURSES AT SWINBURNE IN 2017** will be the Bachelor of Nursing (with a technology focus) and the Bachelor of Engineering Practice. There will also be a Diploma of Advanced Technologies.
- Swinburne is commencing an **EARLY LEADERS PROGRAM**. The ELP provides secondary students with opportunities to build and document their individual strengths and interests. The program identifies students who show enthusiasm and achievement in areas outside their secondary studies, including volunteer work, club or society participation, school projects and career exploration. By documenting and reflecting on their skills and achievements, students will create a valuable resource with certified credentials from Swinburne for use in applications for employment, further study or other pursuits. Part of the reason for this program is that students are individuals with individual talents that may

not be recognised by the ATAR system. NOTE: It is not an early offer program. The program is aimed at students in Year 11. Register interest at <http://www.swinburne.edu.au/early-leaders>.

- Swinburne is now offering a Masters degree in OCCUPATIONAL THERAPY, and from 2018 – 2020 will introduce Masters degrees in PHYSIOTHERAPY, DIETETICS and SPEECH PATHOLOGY.

## SCHOLARSHIP CONGRATULATIONS

Last year I applied for the VicRoads Indigenous Secondary School Scholarship. It involved filling out an application with topics such as what I want to achieve after completing VCE, what kind of issues I believe Indigenous people encounter and finding references from school and an Aboriginal Elder in my community.

During the school holidays, I was lucky enough to find out that my application for the scholarship was successful.

Jacinta Douglas – Year 10

I was fortunate enough to be one of three recipients to be awarded a Central Goldfields Masonic Group scholarship, which involved an application and interview process. This while daunting also proved to be very helpful as I embark on the first year of my VCE. I am very grateful for the generosity of the local Masonic groups and the Freemasons Foundation, who make opportunities like this possible.

# LOGO/SIGN DESIGN COMPETITION

## BRIEF: Wattle Grove Motel

Wattle Grove Motel is a successful business situated on Derby Road in Maryborough, Victoria. Wattle Grove Motel provides accommodation at reasonable rates for singles, doubles, and twin share, three and four persons. There is also a self-contained apartment available for families and/or small groups. They are well known for their quality service and have excellent ratings on web-sites such as trip-advisor.

Wattle Grove Motel requires a new logo design. The new logo will appear on their front sign (see above below), web site, business cards, advertisements and other printed promotional material. They have just finished renovating the motel and they want the logo to reflect their new modern facilities.

Bev Walker, owner of the Wattle Grove Motel, says she is open to all new and creative ideas including the use of different colours, typeface (font), shape and layout of the logo, but she has some constraints. The constraints (rules you must abide by) are:

- The new logo design must be bold and noticeable so as to be easily seen from some distance on the road.
- The logo design needs to be adaptable to the shape of the sign out the front and to also suit printed material.
- If designed on a computer, the image must be high quality with a minimum resolution of 300ppi
- Bev has clearly expressed her desire to NOT include the wattle flower (as can be seen on the external sign).

There will be a prize of \$100 offered to the chosen design (to be judged by Wattle Grove Motel) and a prize of \$50 for second place (to be judged by Highview Art Staff).

Information about Wattle Grove Motel can be found at [www.wattlegrovemotel.net.au](http://www.wattlegrovemotel.net.au). For help and/or any further information regarding the competition, please see or email Ms Pritchard.

Competition closes Friday 24 March.

That's why we recognise those who have a positive impact on their community, rewarding them with an early conditional offer into LaTrobe, along with many other benefits through the Aspire Program.
