FUTSAL CHAMPIONS

This year Highview College entered four teams into this competition. Also competing were schools from Ballarat, Geelong, Western Melbourne, Deniliquin, Maryborough, and other regional centres. For many players this was their first taste of tournament futsal, with short, high-intensity games. Some teams featured state representative futsal players who play together week-in and week-out. Despite our lack of experience, the competition was a success for Highview College, with our 16 Boys team winning their division and our 16 Girls team finishing runners up. Every team improved and learned as the day went on and we showed that we can cut it against schools with much greater resources. As a result of their efforts, we have had three teams qualify for the 'Champion

of Champions' interstate tournament in Ballarat in July – our champion Under 16 boys, runners up Under 16 girls, and the wildcard entry Under 19 boys. In this tournament, our teams will play against other qualifying teams from regional Victoria, Melbourne, and Tasmania with an opportunity for our teams to be crowned the true Champion of Champions.

Mr Cory Skilton
Futsal Co-ordinator

FUTSAL Cont...

While our teams performed well, we had a number of individual players who excelled throughout the tournament. Selectors watched all games throughout the day with the task of choosing players to represent Victoria Country in the state school titles in Brisbane and the Gold Coast in September, and Highview College did exceptionally well to have six players selected for their efforts.

These players not only showed excellent individual skill, but demonstrated great teamwork and the ability to learn and adapt throughout games. Their selections are a testament to the positive attitude and ability they demonstrated throughout the tournament.

Under 14 Boys

Highview Under 14 boys futsal team had a great day. We played some really good matches. We won 1 match and lost the rest, unfortunately the scores didn't reflect the quality of play. We showed some impressive skill levels. The sportsmanship shown was exceptional and it was really good to see everyone out there and having a go. Thank you to all the teachers who organised the day and our coach Mr Healey.

Rogie Carless - 7A

Under 19 Boys

The futsal tournament was a great day for all the schools that attended with great games and spirit shown throughout the day. The senior boys had a strong team with lots of futsal experience going into the tournament. The team started the tournament with a good win against Covenant College 3-1 with 2 goals to Ricky Holland and 1 to Zak Rinaldi. This game was followed by a close game against Ballarat High with Ricky Holland and Patrick Van Der Pol netting a goal each to lose 4-2. The senior boys then handed a mighty defeat to younger side in Mt Clear College 7-2. Goals came from Zak Rinaldi (3), Patrick Van Der Pol (2) and Dylin Leist (2). The last game was a must win for a finals appearance and the team with limited substitutions due to an horrific injury to allegedly star defender Sean Hermann led to a more fatigued senior boys team that unfortunately went down 7-2 to Lakeview College after a close first half with goals to Patrick Van Der Pol and Zak Rinaldi. The best performers for the day were Captain Patrick Van Der Pol, Zak Rinaldi and Ricky Holland. Luke Tatchell also played very well as the team's keeper with limited futsal experience. Thank you to all the volunteers on the day and especially Mr Skilton for organizing the day while also coaching the team.

Sean Hermann - 12C

Under 16 Girls

Our Under 16 girls team went to the tournament with a few experienced players, but many playing in their first futsal tournament; goalkeeper Tegan Maddern had never even heard of futsal only a few weeks before! Coached by university student helper Lauren Riddel, the girls adapted quickly, improving their offensive and defensive structures and their positioning every game. On top of this, they showed great teamwork and sportsmanship. At the end of the round robin we finished second to Victory Christian College from Geelong and qualified for the grand final. While the girls played extremely well in the final, a combination of Victory's greater experience and bad luck – with star goalscorer Laura Murphy hitting the woodwork twice and defying the laws of physics in the process – meant we went down 2-0. Congratulations to the girls on a really hard-fought tournament.

Tegan Maddern - 10D

Under 16 Boys (round robin in 19 Boys division)

Our Under 16 boys embarked on our journey to discover, while on the bus traveling to the tournament, that there was only one other team in our division! This meant that we automatically qualified for the final, however this raised just one problem, who were we playing against for the rest of the day? Once we arrived at the major league courts we were enlightened with who we would be playing against, we were put in the Under 19s Division for the day. Although we played well through all our games we remained scoreless throughout all 4 Under 19 games, these games finished 0-2, 0-2, 0-7 and 0-7. Although now it was time for the one important game of the whole day, our grand final against Mt Clear College. Our excellent coach, Lachlan Dempsey, constructed us a new formation that worked brilliantly as we scored two quick team goals with Kynan Carter and Dy Ngim being the players on the end of these great goals. Unfortunately just before the end of the first half our opponents put away a long range shot, and we were up 2-1 at half time. We all came in with a buzz about us and that buzz came with a lot of focus at the same time, we all went out in the second half and played amazing defence as well as being able to witness Dy dismantle our opponents and slot away our third team goal. After even more fight from our opponents we still stayed strong defensively and kept them scoreless, then within the dying minutes of the game Darcy Kelly was able to slot away a 1 on 1 opportunity which acted as the nail in the coffin for after that the game was finished and we came out victorious.

YEAR 9 SOVEREIGN HILL EXCURSION

Year 9 students travelled to Sovereign Hill to learn more about gold in Ballarat. We travelled down by bus and were given timetables for the activities throughout the day. First off we had a mine tour which took us through an underground tunnel while a voiceover taught us about mining and the welcome stranger nugget. After we exited the mine, explored the village or panned for gold by the creek. Some were even lucky enough to find gold! Our tour of Sovereign Hill taught us about the different types of mining and the machines used. We explored the village, the different shops and buildings including

the bowling saloon, theatre, horse drawn carriage rides and, everyone's favourite, the lolly shop and its raspberry drops. We were also given a demonstration on finding and extracting gold from quartz. It was a great, exciting experience and a beneficial, hands-on way to learn more about the gold rush and Sovereign Hill.

DURING THE MID YEAR BREAK

Reception will be closed over the term break and will reopen on Monday 17 July at 8.00am.

Messages may be left on the answering machine during this period.

LEARNING SUPPORT NEWS

Highview College will once again be participating in the NCCD .The Nationally Consistent Collection of Data on School Students with Disability is an annual collection that counts the number of school students receiving an adjustment due to disability and the level of reasonable adjustment they are receiving.

The aim of the national data collection is to collect quality information about school students receiving an adjustment due to disability in Australia.

This information will help teachers, principals, education authorities and families to better support students with disability to take part in school on the same basis as other students.

June 14 was International Education Support Workers Day. This was an opportunity for us to say thank you to our teacher's aides for their dedication to students, staff & families at Highview College.

NOTE TO PARENTS

If you need to bring anything to school for your son/daughter, we ask that you come to Reception first, even if your child has contacted you and suggested you meet at the front of the school. As a matter of safety for all our students, we need to be able to monitor who has contact with students and who is authorised to be on the school grounds. We thank you for your co-operation in this matter.

Director of Pastoral Care

FINAL NOTICE FOR CSEF APPLICATIONS

CSEF is provided by the Victorian Government to assist families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means tested concession card or are a temporary foster parent, you may be eligible for CSEF. The CSEF is paid directly to the school and is allocated to the school camp/excursion portion of the school fees.

Forms will be accepted until **30 June 2017**, however, forms are encouraged to be returned as soon as possible.

Forms are available from the office or our website.

For more information please refer to www.education.vic.gov.au or contact the Highview office on 03 5459 1000.

CONVEYANCE ALLOWANCE

The conveyance allowance is a form of financial assistance to help families in rural and regional Victoria with the cost of transporting their children to their nearest appropriate school/campus. The conveyance allowance is available to eligible students travelling by public transport, private car and public bus.

In summary for Highview Students to be eligible:

- Students must attend their closest non-government 'Christian' College
- Reside 4.8km or more from Highview
- Reside 4.8km or more from the closest 'Free Bus Service' bus stop

Forms are available from the Highview Office.

For more information please refer to www.education.vic.gov.au or contact the Highview office on 03 5459 1000.

SCHOOL FEE PAYMENTS

When making direct deposits into the Highview bank account for the payments of your fees please include a reference including your surname and account number.

Accounts Officer

EBT TRIKE BUILDING/REPAIR

If any Highview College families or friends have knowledge or expertise in Trike building and repairs, we would love to hear from you!

Please contact co-ordinator Luke Treacy for more information, 5459 1000 or email ltreacy@highview.vic.edu.au

YEAR 7

As a part of our study of the novel 'Skellig' in WOW, we explored symbolism in the text. In pairs, students created posters about various symbols in the novel. Pictured are 7C working on their symbolism posters.

Ms Donna Kempster

RURAL YOUTH AMBASSADOR

Congratulations Lucy McLay for being one of 20 young people from across rural Victoria selected to participate in the Rural Youth Ambassadors program 2017. The culmination of the program will be for the Rural Youth Ambassadors to meet the state Minister for Education, and other relevant Government Ministers, in December 2017, to present their thoughts and ideas in improving education provision within rural and remote Victoria.

UNIFORM EXPECTATIONS

Highview College has a proud uniform, with summer and winter versions and specific sport items.

The winter uniform includes long pants for boys and either long pants or the winter kilt for girls. For warmth, students may wear extra layers under their uniform (as long as they cannot be seen at all). The School jumper, blazer and tie may be worn for warmth with the school uniform. The School blazer and tie are not compulsory in 2018. A light navy rain jacket (this is different to the sports jacket) can be worn over the jumper/blazer in wet weather and is available to purchase at Macks now. No other jackets may be worn with the uniform in 2018.

The Sports uniform has been refined following student feedback. We now have new shorts and a new shirt will be available soon. It is acceptable to wear items of sports uniform even if they are being phased out. Hoodies and Sports Jackets may only be worn with Physical Education or Sports Uniform or at sporting events.

Students are also reminded that only one pair of earrings (worn in the lobe) is permitted – small silver, gold or pearl studs or plain silver/gold sleepers. No other jewellery should be visible.

Highview School bags will be compulsory for students in Years 7 to 10 in 2018.

Students represent Highview College and their families by wearing the uniform. It is important that they wear the uniform well and with pride. I invite students to contact me if they have an interest in contributing to the process of uniform refinement.

SHREK

THE MUSICAL JR.

rehearsals are going well!

SHREK

The MUSICAL JR.

The rehearsals for Shrek Jr. are well and truly underway. Everyone has been busy rehearsing their individual songs and lines and last week we were able to put it all together for the first time. It was great to see it all come together. In some songs there can be up to twenty singers all singing different parts. This week we will be hitting the stage. It is now time to start rehearsing with lines and learning the movements on the stage. It is essential now that all performers attend every rehearsal.

Some of our students have been taking a bit of time out to prepare some promotional film clips of their songs and lines. These short film clips can be found on Highview's official Facebook page. Leilani (Lani) Harman plays Fiona and she sang a short verse from the song *Morning Person*. Loui Froia, who plays Shrek, sang a verse from *Big, Bright, Beautiful World*. Laura Collins, who plays Dragon, sang a short piece from the song *Forever*, and Asha Eggerling, Mable Carrington and Charlotte McAdam delivered the opening lines to the musical in their roles of the Three Little Pigs and Storytellers.

Above Top - Laura Collins, Above Middle - Lani Harman, Above Right - Loui Froia
Above Left, Charlotte McAdam, Mable Carrington & Asha Eggerling.

YEAR 12

EARLY ENTRY PROGRAMS

La Trobe Aspire

Aspire is a program at La Trobe which rewards Year 12 students' community contribution with a conditional early offer to their chosen degree. The Aspire Program is designed to give you the tools you need to succeed to La Trobe and beyond. Successful applicants need a minimum ATAR of 50 for entry to courses (excluding some professional degree programs). You will also need to meet all course prerequisites and any special requirements for your preferred course. Applications are now open and will close on 31 August 2017. Offers will be made for the Aspire program in September, well before your ATAR is known. For more information visit <http://www.latrobe.edu.au/study/aspire>

ACU Early Achievers' Program

If you regularly volunteer in your community – through your school, community organisation, or cultural or religious group – you could be eligible for the Early Achievers' Program entry into an undergraduate degree. If successful, you will receive an offer as early as August to study, and benefit from opportunities to enhance your leadership and volunteering skills while at ACU. Applications to study in 2018 opened on 26 April and will close at midnight 17 July 2017. Offers will be released by end of August 2017. For more information visit http://www.acu.edu.au/study_at_acu/pathways_And_entry_schemes/year_12_student_entry/early_entry

SCHOLARSHIPS

Every year thousands of dollars in scholarships are left unclaimed! Scholarships can be a great way to get some financial assistance during your studies and you can apply for a large number of them with just a single application through VTAC. It is commonly thought that scholarships are only offered to students based on high academic results. However, there is a broad range of scholarships available based on a range of criteria that can assist with things like tuition fees, accommodation, study costs, or even relocation from a regional area to complete your studies.

If you're completing a course application with VTAC for 2018 study, you're eligible to apply for scholarships! The following website provides some guidance for completing scholarship applications, including the types of scholarships available <http://www.vtac.edu.au/scholarships.html>

YEAR 10 CREATIVE MASTERCLASS - CAN YOU HELP?

This unique class is seeking skilled Mentors to assist students with their projects. The class runs each Monday 10.45am - 11.30am and Wednesday 8.50am - 10.20am in the Highview College Workshop.

The nature of the class is that students select a technology or art-based project, or a new skill to learn. They then find a mentor to offer guidance in their chosen skill.

Some of the tasks that we require assistance with include:

- Creating a story book for children who suffer from anxiety
- Wood carving
- Wood turning
- Architecture, 3D modelling
- Making a surf board
- 3D printing a quad copter
- Plus many other varied wood and metal projects

Mentors need to have a 'Working with Children' clearance. Applying for this is easy, and we can assist you. How much time you offer is entirely up to you. The Mentor time is given on a voluntary basis.

Please consider this unique opportunity to provide valuable assistance to the young people of our community. We would be delighted to welcome you to Highview College.

For further information please email tpayne@highview.vic.edu.au or phone 5459 1000.
