Education Through Wholeness

31 July 2018

## Dates to Remember

### **Tuesday 31 July**

Inter-School Cross Country, Debating, Chess at Bundoora Park & Bacchus Marsh (selected students)

### **Wednesday 1 August**

Year 10 2019 Information Evening 7.00pm - Geoff James Theatre

### **Friday 3 August**

Year 12 Biology Excursion - Ecolinc  
Principal/Parent chat  
9.00am - 10.00am

### **Wednesday 8 August**

P&FA 6.00pm

### **Friday 10 August**

Principal's Tour 9.00am  
Year 12 Chemistry Excursion - Ecolinc

### **Thursday 16 August**

'Madagascar' the musical 7.00pm  
- Geoff James Theatre

### **Friday 17 August**

Principal/Parent chat  
9.00am - 10.00am  
'Madagascar' the musical 7.00pm  
- Geoff James Theatre

### **Saturday 18 August**

'Madagascar' the musical 7.00pm  
- Geoff James Theatre

### **Monday 20 August**

Student Free Day - NO CLASSES

## HIGHVIEW MOVING FORWARD

In August our new Chair, Stephen Norris will take on the governance leadership of the College.

Stephen is an experienced Principal and has just completed a 15-year tenure leading Launceston Church Grammar School. He visited on Thursday 26 and Friday 27 July to meet with members of the College Executive, staff and the School Board. He will meet with student leaders when he is next on site and apologised for not to be able to attend the planned meeting due to changes to his travel plans. He sends his regards to the wider College family and looks forward to meeting with stakeholders soon.

Stephen attended a Principal's Tour and was impressed with the positive

advocacy of staff, the engagement of students and the quality of our facilities.

Stephen Higgs, Executive General Manager of VESS (Victorian Ecumenical System of Schools) will soon commence the task of preparing a constitution which will provide the College with modern governance into the future. The draft document will be available for consideration by Members of the Company a little later in the year.

All current parents/guardians are eligible to become Members of the Company. Please contact Chis Plucke, the Business Manager and Company Secretary  
[cplucke@highview.vic.edu.au](mailto:cplucke@highview.vic.edu.au)

*Stephen Norris*

*Stephen Higgs*

**Please note that one term's notice of withdrawal is required in writing to the Principal**

[www.highview.vic.edu.au](http://www.highview.vic.edu.au)

## HOUSE CROSS COUNTRY

Congratulations to all students who participated in our recent House Cross Country!

The following students are the winners of their year level and will now move on to the Inter-School Cross Country to be held at Bundoora:

### YEAR 7

Lavinia Martin                      Thomas Myers

### YEAR 8

Emmerson Wood                      Patrick Pritchard

### YEAR 9

Alicia Myers                      Adrian Steer

### YEAR 10

Gina Beavis                      Jamie Beavis

### YEAR 11

Julia George                      Nick Myers

### YEAR 12

Callista Holmes                      Connor O'Shea

Congratulations to Campbell House on taking home the Inter-House Cross Country shield this year and to Chisholm House for winning the 'House Spirit' shield.

### House Results

Campbell 482

Chisholm 423

Butler 325

Wesley 322

Mr Luke Treacy

Activities Co-ordinator/Physical Education

HOUSE CROSS COUNTRY cont...

## FROM THE ACCOUNTS DEPARTMENT

### School Fee Payments – direct deposits

When making direct deposits into the Highview bank account for the payment of your fees please include a reference including your **surname and account number**. The details for bank deposits are found on your fee statement.

Fee statements are forwarded via email to the allocated fee payer for each student, so please make sure your email details are up to date. Term Fees are due at the beginning of each term.

If you have any queries, please email [accounts@highview.vic.edu.au](mailto:accounts@highview.vic.edu.au) or phone 5459 1000.

### Bus Passes

Bus passes must be obtained for students needing to travel on buses that they wouldn't ordinarily travel on. It is important that all students travelling on any of the bus services are accounted for.

Should your child need to travel on a contract bus, a bus pass should be obtained from Steve Broad at M.E.C. (5461 7900). Should your child need to travel on the Castlemaine, Newstead, Maldon or St Arnaud buses, a bus pass can be obtained from the Office - either in the form of a written note or a phone call from the parent or guardian.

Both passes require 48 hours notice.

### Private Music Program

We have the following instruments available for private music lessons:

- Piano/keyboard
- Guitar (Electric or Acoustic)
- Bass Guitar
- Voice
- Drums
- Saxophone

No prior musical knowledge is required just a sense of fun and a commitment to practice. Students participating in the instrumental music program are withdrawn from their normal classes on a rotating timetable for a 30-minute lesson. Cost is \$27 per lesson. There is also a number of opportunities for students to play in a range of performing groups throughout the year.

Please express your child's interest in the Instrumental Music Program to Reception or email [kcrutchfield@highview.vic.edu.au](mailto:kcrutchfield@highview.vic.edu.au)

Mrs Karen Crutchfield  
Accounts Officer

## BAND PERFORMANCE

A few weeks ago both the Highview College Junior and Intermediate Bands set off to St Arnaud to perform for the students at St Patrick's Primary School. We loaded up the trailer and were on our way.

I felt slightly nervous but got over my jitters. We set up and rehearsed for a while before the primary students began to pile in. Our Junior Band set went quite smoothly and the kids seemed to be enjoying it and were clapping along to the beat.

The Intermediate Band also played fantastically with the student joining in dancing, jumping around and singing the chorus. Our last song 'Little Talks' was probably my favourite part of the day, we all performed as one whole band and the students loved it.

Our practice was all worthwhile when we saw the smiles on those kids' faces. I loved every moment of the day and I'm very thankful to Mr Lau and all the teachers who worked hard to make the day possible.

Millie Collins - Year 7

## DUKE OF ED

### HAVILAH

We go to Havilah to learn how to respect and listen to older people. We also want to learn how to manage different events and how to engage people in these events.

We go to Havilah knowing we are happy to assist in any way possible as this service is the perfect way to engage and interact with the elderly.

Darcy Kelly - Year 10

## PAISLEY PARK EARLY LEARNING CENTRE

While at the child care centre we played with the kids, helped serve lunch and encouraged them to eat the healthy food we served. We dampen face washes to wash their faces and hands after they finished lunch. We made beds for the little ones and put them to sleep.

I ran an art activity where we used cutting, drawing and glueing skills all in one activity. These are some of the skills four-year-olds need to develop to get them ready for school.

Gina Beavis - Year 10

## DUKE OF ED Cont...

### AG LEECH KINDERGARTEN

Each week for Duke of Edinburgh, Ebony Raven, Kaitlyn McKimmie and I have been headed down to AG Leech Kindergarten for an hour to spend some time with the children there.

So far we have participated in many outdoor and indoor activities including painting, drawing, hide and seek, tiggy etc.

We look forward to many more laughs and games with them in the coming weeks.

Athena McBean - Year 10

## YEAR 9 STRIVE ACTIVITY DAY

The Year 9 Term 3 STRIVE Activity Day created strong new bonds between Year 9 students. Three activities were completed throughout the day: Boot Camp with Sue, Funk'n'Groovy with Jackie and Quidditch with Fergus.

Boot Camp tested our fitness abilities and our teamwork skills. Starting by playing a modified version of 'tail tigg' as a warm-up, we then began a fitness circuit. It included burpees, skipping, medicine ball lifts and planking. After another game, we again completed the circuit, which tested our endurance.

Funk'n'Groovy was a dance activity that gave us the chance to let loose and show off our best dance moves. This consisted of multiple games that included dancing, music and rhythm. In groups, small dance routines (often including popular 'Fortnight dances') were created then demonstrated. These games allowed us to work on our self-confidence and enjoy some physical exercise.

Quidditch was an enjoyable game taken from the well-known Harry Potter books. Running around, trying to avoid being hit by balls from the sidelines, whilst having to work as a team to get a ball to a goalie unable to move, standing in a hula-hoop. As well as 'flying around' on broomsticks (pool noodles), this game took a lot of concentration and skill. But quidditch was not just for the Harry Potter fanatics, it was for everyone.

A massive thanks go to all the STRIVE teachers who helped out and organized the activity day. Mr Jenes, your enthusiasm always gets everyone participating. To Sue, Jackie and Fergus, thanks for making the activities exciting and inclusive, we enjoyed them all!

Reagan Wardlaw - 9C

## CAREERS

### Work Experience

A huge congratulations to all Year 10 students who completed their week of Work Experience in the final week of Term 2. I have received some outstanding feedback from employers on how students conducted themselves throughout the week and some students have even been offered a job as a result of their placement! Well done Year 10s!

Here's what some employers had to say:

"An extremely capable student!"

"(Student) did an exceptional job throughout the week showing maturity, initiative and a fantastic work ethic!"

"(Student) is welcome back here anytime!"

"(Student) is extremely welcome to return in the future"

### UPCOMING EVENTS

#### AUGUST

##### **2, 9, 17, 23: Experience Days, Kangan Institute**

Docklands (2), Broadmeadows (9), Moonee Ponds (17), Richmond (23), <http://bit.ly/2ttNFrp>

##### **14: Inside Monash Seminar**

Monash University, Music, <http://bit.ly/2ki2NYw>

##### **11 - 19: National Science Week**

[www.scienceweek.net.au](http://www.scienceweek.net.au)

##### **25 & 26: Dance Audition Preparation Workshop**

Victorian College of the Arts, The University of Melbourne, <https://bit.ly/2Ob6Cdl>

##### **29: Discovery Day**

The Hotel School Melbourne, Lonsdale Street campus, <https://bit.ly/2uHVxs9>

#### SEPTEMBER

##### **6 & 13: Inside Monash Seminars**

Monash University, Information Technology (6), Engineering (13), <http://bit.ly/2ki2NYw>

### FEDERATION UNIVERSITY NEWS

#### Helping Year 10 Students

Fed Uni have created a web page with relevant information and publications specifically for Year 10 students to help to discover careers and study pathways.

Follow this link and you will find a helpful course, a careers options guide and a 2021 tertiary entry guide for year 10 students:

<https://federation.edu.au/future-students/information-for/year-10-students>

#### Industry Placement Program and Work Integrated Learning

Students applying to Fed Uni for 2019 are strongly encouraged to apply for their Industry Placement Program (IPP), which provides a valuable opportunity to receive up to 26 weeks of industry based experience and up to \$15,000 in industry scholarship payments.

The Industry Placement Program (IPP) is an opportunity to gain valuable workplace experience in a variety of

organisations, where you will be able to work on real projects, alongside industry professionals enhancing your knowledge and skills.

Work Integrated Learning (WIL) is a core component of the Bachelor of Business degree and an elective in the Bachelor of Commerce. Students can undertake WIL through IPP, or through an internship, where opportunities are available to work on a project within an organisation for up to 2 days a week for a 13-week period. To learn more, please refer to the following link:

<http://federation.edu.au/industry-and-community/partnerships/industry-placement-program>

### MONASH UNIVERSITY SCIENCE PROGRAM

Explore the world of science with MySci at Monash University.

MySci is a three-day science program, specifically designed for current Year 11 and 12 students. The program schedule will include:

- Hands-on workshops
- Access to our brilliant teaching facilities
- Opportunity to meet some of our Research Scientists
- Exposure to potential career pathways
- Activities with the Young Scientists of Australia
- Social activities

Event details Date: 9 – 11 January 2019. Location: Monash Science Precinct, Clayton campus. Cost: \$95 per student. For more information and to register your place, visit <https://bit.ly/2lqa4fM>

### FOCUS ON OPEN DAYS

If you are considering studying at TAFE or university after school, it is crucial that you attend Open Days.

Throughout the year, vocational and tertiary institutions open their doors to the public and showcase their courses, accommodation, scholarships, pathway courses, student services and their 'point of difference'.

At an Open Day, you will be able to:

- Get a feel for the culture of the campus
- Learn about courses and career options
- Undertake campus and accommodation tours led by current students
- Speak directly to student ambassadors and lecturers about the courses or careers you are interested in
- Compare the course area you are interested in at different institutions
- Learn about sports and societies you can join and be active in
- Get course counselling and guidance
- Attend information sessions and workshops
- Watch live demonstrations
- Listen to bands, eat lots of food, participate in activities and have fun!

Don't just pick a course at an institution without visiting the campus – you potentially will be spending several

## CAREERS Cont...

years studying there and spending tens of thousands of dollars on your course and accommodation. It's worth making the effort.

By now you should have identified institutions you would like to visit, found out their open day dates and downloaded their open day programs.

Once you have the programs, make a list of the information sessions you would like to attend.

If you have time, try and attend information sessions on topics like pathways, scholarships, accommodation and overseas exchange programs.

If you are unsure what to ask on the day, here are some questions ideas:

- Are there any prerequisite subjects I need to study for this course?
- What study scores/ATAR do I need to achieve to get into this course?
- Do I need to attend an audition, have an interview or present a folio as part of the selection process?
- Are there any other ways into this course other than through a VTAC application?
- Can I do a vocational course first which might then lead into a university course?
- What is the difference between TAFE and university study?
- If I can't get into this course, is there a similar course at this institution I can apply for?
- Can I study majors and/or minors in this course?
- How many hours per week are spent in class and can I study part time?
- Can I defer the course?
- What kind of jobs do graduates of this course generally get?
- Are there any scholarships available?

## SCHOLARSHIPS NOW OPEN

### MSRF University Scholarships

\$10,000 per year for 3 years

The MSRF Scholarships are open to year 12 students who have demonstrated leadership capacity or potential, financial need, desire to return to rural Victoria after graduation, community involvement and academic ability.

For more information or to apply, visit:

[www.msrf.org.au/scholarships](http://www.msrf.org.au/scholarships)

Email: [info@msrf.org.au](mailto:info@msrf.org.au) Phone: 03 6281 8303

MSRF thanks all of our generous supporters who help to make a difference in young rural people's lives.

To donate to the tax deductible scholarship fund, visit: [www.msrf.org.au/donations](http://www.msrf.org.au/donations)

### Rural Chances Vocational Scholarships

\$2,000 - \$5,000 for TAFE or apprenticeships

Young people 16-24 years old can apply for a \$2,000 scholarship to assist with the purchase of equipment, fees and tools of the trade necessary for vocational study, or a \$5,000 scholarship to assist with moving away from home or travel expenses necessary to complete their qualification.

Macpherson  
Smith  
Rural  
Foundation

MSRF provides a range of university and vocational scholarships.

All scholarship recipients are offered 'wrap around care' in the form of transition and career mentoring, leadership development and network building opportunities.

Scholarship applications close:  
**10th AUGUST 2018**

## UNIFORM REMINDERS

Below is a friendly reminder about some of our expectations for the wearing of Highview uniform.

- No visible jewellery other than plain sleepers of gold, silver or pearl studs. One in each ear lobe.
- School bags are now compulsory for students in Years 7-11.

We know it's cold but there are ample combinations of the correct winter uniform to keep students warm. All uniform items are available at Mack's.

- School jumpers and School blazers are in stock at Mack's.
- Puffer jackets of any colour are not permitted to be worn with the uniform, including to and from school.
- Plain navy rain jackets may be worn before and after school, during recess and lunch.
- Jackets may not be worn in place of a jumper and should not be worn in classes, where ample heating is supplied.
- Highview Hoodies and Sports Jackets are only are only to be worn during sport or PE classes, sports trips, and on some excursions when permission is given in advance

Ms Marion Martin  
Director - Pastoral Care

## AWARD FOR HIGHVIEW CHAPLAIN

Our Chaplain, Mitchell Lovell, has very quickly become a great asset in our school.

Students agree that he's easy to get along with, a great person to talk to, willing to pitch in and help and a great 'go-to' person.

Mitch attended an Australia wide conference during the holidays with the company 'Your Dream Chaplain' and was awarded 'Chaplain of the Year' for Victoria. Richly deserved.

Congratulations, Mitch!

## YEAR 10 WORK EXPERIENCE

At the end of Term 2 I did my Work Experience at Parson's Towing and Body Shop.

I chose to do it there because I have always been interested in painting, and even tried to teach myself how to pinstripe for my STRIVE Project last year, so I decided to maybe try spray painting. I got to spend the week in the paint shop, prepping panels for painting, cleaning, removing panels and the spray painters Gavin and Mick even decided to let me try out painting something just to see how I went and if I enjoyed it. We then dug out an old mudguard from the bin, and I got to prep it and then we set it up in the booth. I actually did a pretty decent job, and so Gavin and Mick got me to help out with painting a couple of panels that they were actually using.

Overall I had an amazing week, and felt very welcomed by everyone at Parsons, it was definitely worthwhile, and a great experience.

Phoebe Spragg - 10C

Chelsea Chapman  
Castlemaine  
Veterinary Clinic

Chelsea Chew  
Murph's Gym

Fraser Tatchell  
Tatchell Plumbing

Janelle O'Neill  
Corner Cuts

Kaitlyn McKimmie  
Healthy Pets  
Veterinary  
Practice

Marshall Woods  
MSLC

Nathan Cross  
Bucknall  
Constructions

Stefan Maroudas  
Castlemaine  
Heath

My Work Experience was completed at a Primary School in Castlemaine. While there, I was able to gather a quite decent understanding of the way that schools operate.

I was first with the Grade 3-4 class, under the supervision of Kate, and she taught me some tips and tricks regarding teaching, and some of the downsides to teaching.

The School community was nice, and it has boosted my possible career choice.

Matthew Judd - 10A

# Rotary

## A Rotary District 9780 program for young Australians

### DEFYING THE DRIFT!

#### WHAT?

DtD is a program designed to empower young people to:

- Identify and explore agriculture and agribusiness career opportunities
- Build communication skills
- Develop career networks

#### WHO?

DtD is for year 10 and year 11 students

#### WHY?

Because there are great, high paying professional, entrepreneurial and trade careers in agriculture that young people need to know about!

#### WHEN?

Monday September 24, 2018 to  
Wednesday September 26, 2018

#### WHERE?

Longerenong Ag College, Horsham

#### HOW MUCH?

\$200 Early bird price - pay by July 31  
\$250 per student, sponsorship available.

**More information at [www.ruralsupport.org](http://www.ruralsupport.org)**

DtD starts with a 3 Day residential program at Longerenong Ag College. There will be lots of new friends to make, inspiring agriculture role models to meet, places to visit and lots of fun.

The second part is a presentation by each participant at their sponsoring Rotary Club - a great chance to meet community leaders.

THERE ARE WONDERFUL OPPORTUNITIES FOR FANTASTIC, HIGH PAYING AND SECURE CAREERS IN EVERY WALK OF LIFE IN RURAL VICTORIA. WITH IT COMES A LIFESTYLE THAT CITY FOLK CAN ONLY DREAM ABOUT.

Agricultural careers have a bright future. The fact is the world's growing population needs to be fed and clothed and, with the average age of farmers approaching 60 years, young people are worth their weight in gold. Employers are screaming out for them. Jobs are often going begging.

While the traditional patterns of family farm succession are giving way to corporate style farming and land prices seem prohibitive for new entrants, there are great opportunities for careers in agriculture across the broadest range of personal skills, as well as the many professions, trades and vocations needed in every community.

With the huge interest in where our food comes from, the time is ripe for organic and innovative food production start-ups.

Since its inception in 2010 Defying the Drift has helped young people discover pathways through further education and work experience to great careers in agriculture.

Don't wait for the future - make it happen!

Early bird closing date for applications is July 31 2018.  
Final closing date is August 31 2018

**More information at [www.ruralsupport.org](http://www.ruralsupport.org)**

# HIGHVIEW COLLEGE

Education Through Wholeness

## SPONSORSHIP OPPORTUNITY

We invite you to be a part of Highview College's campaign in  
**THE 2018 RACV ENERGY BREAKTHROUGH**

[www.highview.vic.edu.au](http://www.highview.vic.edu.au)

Highview has had a lot success in their past years of competing in the RACV Energy Breakthrough:

### 2014 OPEN TEAM OVERALL WINNER - JUNIOR TEAM RUNNERS UP

Energy Breakthrough 2014 was very successful for the Highview College teams. The three school teams placed in the top 3 in their respective categories. The 'Dat Bass' Junior squad placed Runners Up. The 'Dia Dia' VCE team were very consistent across the event, winning the Design & Construction category and placing 3rd overall in the HPV C division. The 'Draggin Dutchman' HPV Open team were crowned the overall winners. The win was Highview College's 4th Overall HPV Open win in the past 13 years.

### 2015 ALL TEAMS PLACE IN TOP 4

The three school teams placed in the top 4 in their respective sections, a brilliant team effort! The 'Zazu' Junior squad, had several members participating in their first secondary school event. The team achieved high scores across all sections, including second in the race and were the overall winners. The 'D-Rex' VCE team placed 3rd overall in the HPV C division. The 'Brazilian Bullant' HPV Open team, as defending champions, performed well in all categories and finished 4th overall.

### 2016 WINNERS & RUNNERS UP

The three school teams placed in the top 2 in their respective sections, an incredible effort! The Finding E'FISH'ency Junior squad achieved high scores across all sections, including WINNING in the race and were the overall Runners Up. The 'Nevis' VCE team WON the race, WON the design & construction, and were the overall Winners in the HPV C division. The '#onlythebeginning' HPV Open team, performed well in all categories, including WINNING the display and presentation, and finished overall Runners Up.

### 2017 ALL TEAMS PLACE IN TOP 3

The three school teams all placed in the top 3 in their respective sections, a brilliant effort! The 'Emoji Go' Junior squad placed 2nd in the Display & Presentation, 3rd in the trial and 3rd overall. The 'Off The Grid' Middle School team finished 3rd in the trial, 2nd in the Display & Presentation and overall Runners Up in their B2 division. The 'Aziz' VCE team placed 2nd in the Display & Presentation, WON the trial and were declared OVERALL WINNERS of the C Division. Amazing work from all teams. The students are excited about the 2018 event!

Education Through Wholeness

### HOW IS THE SPONSORSHIP USED?

There are many costs involved each year preparing for the RACV Energy Breakthrough. Some of these costs include building the trikes, maintaining and upgrading past trikes, entry fees, spare parts, safety equipment including helmets and gloves, just to name a few of the expenses for the race alone.

Your sponsorship will allow our teams to purchase new equipment and meet other expenses, including providing nutritious food to sustain our riders throughout this physically taxing weekend.

Each year, students at Highview put in a lot of effort for the RACV Energy Breakthrough. This year, we hope to make it our best year yet, and we would love your support.

### TEAM SPONSORSHIP PACKAGES

#### GOLD - Money/Vouchers or goods to the value of \$300+

Over the past 10 years a number of businesses have taken up the major sponsorship on one of the trikes. This entitles your business to have your signage on the race trike, and a banner or sign in the Scout Hall area. Your business will also be acknowledged in the team presentations and any news articles associated with the racing team and the trike. What a great opportunity to promote your organisation over the busiest week of the year in Maryborough. There will also be acknowledgement in the Highview Herald (fortnightly school newsletter), School Magazine, the Highview Facebook page and in next year's training manual.

#### SILVER - Money/Vouchers or goods to the value of \$200

Your Name will be placed on signage and news articles associated with the racing team and the trike. Your name will also be mentioned in the Highview Herald and School Magazine.

#### BRONZE - Money/Vouchers or goods to the value of \$150

Your Name will be placed on signage and news articles associated with the racing team. Your name will also be mentioned in the Highview Herald and School Magazine.

Our Business: \_\_\_\_\_

Will sponsor the Highview Energy Breakthrough Team for \$ \_\_\_\_\_  
(inc. GST)

And/or donate goods/vouchers or services such as \_\_\_\_\_

Or make a donation of \$ \_\_\_\_\_ (GST Free)

Signed \_\_\_\_\_ Dated: \_\_\_/\_\_\_/2018

Please return form to Mr Luke Treacy - Highview College

We thank you in anticipation of your generous donation
