## Announcement from Highview College

The Highview College Board Chair, Stephen Norris, stepped down in July to take a position leading a new school in Tasmania. The College is grateful for his stewardship through the period of shaping and adopting a new, more modern, constitution. Stephen was also instrumental in sourcing a qualified, skills-based Board of eight Directors. This was an important development for the College in securing the future.

At the Board Meeting on July 15, the Board unanimously agreed to appoint Board Director, Nickola Allan, to the position of Board Chair, who also leads the Governance Sub-Committee. Nickola is the Director of Clinical services at Maryborough District Health Service.

The College is delighted to announce that Board Director, Jessica Kelly, has accepted the position of Board Deputy Chair. Jessica is the Food Technical Co-ordinator at True Foods in Maryborough and has been a Board Director since the establishment of the skills-based Board.

A new Strategic Plan is in the final stages of completion, which will guide the College's development through until the end of 2023. The College will be seeking a candidate to fill the position vacated by Stephen Norris. This Director position requires expertise in educational management and strategy.
