Statement of Context and Purpose

To assist Highview College to comply with its legal obligations and policies, specified responsibilities may be delegated. To implement the strategic direction which has been developed, the Board will delegate responsibilities to the Principal that are consistent with management functions.

The purpose of this policy is to provide a procedure in which the Principal can formally delegate responsibilities to other employees of Highview College. This may be necessary to maintain a positive and safe workplace for both employees and students.

This policy provides a procedure which will ensure that any employee that is delegated responsibilities has a clear understanding that the responsibilities have been delegated and of what those responsibilities are. Delegating responsibilities will ensure that Highview College maintains an effective and efficient working environment.

Application

This policy applies to the Board, Principal and all the employees of Highview College.

Delegation of Authority to the Principal

The Board employs the Principal to explicitly manage the operations of Highview College in accordance with the strategy, policy and procedures approved by the Board. The Principal shall manage Highview College to achieve the goals agreed and endorsed by the Board at all times. To ensure that the Principal has the authority required to perform this function, without limitation, the Board delegates the following functions to the Principal:

- the management of student enrolments
- the financial management of Highview College
- the operational management of Highview College
- management of the registration and legal compliance of Highview College.

It is the Principal's responsibility to attend Board meetings to obtain and exchange information with the Board.

Delegation of Authority to Employees

The Principal may formally delegate certain responsibilities to employees of Highview College to ensure that the strategy developed by the Board is implemented effectively.

At the beginning of each school year, the Principal will prepare an organisational chart of delegates and their responsibilities, which will be passed onto the Board.

The Principal will:

- inform the delegates of their responsibilities and explain Highview College's expectations; and
- ensure that the responsibilities are clearly stated within the employee's position description for the calendar year

Delegates are responsible for ensuring that they carry out their responsibilities in the best interests of Highview College and must inform the Principal immediately if they are unable to perform any of their duties.
