## HOUSE SWIMMING CARNIVAL

The weather was kind for our House Swimming Sports held on Tuesday 21 February at the Maryborough Outdoor Pool. The events were very competitive and the swimming was excellent. The scores were very close all day, with the relays set to decide the winner.

Congratulations to our Year Level Swim Champions (see next page) and to all students who were involved in the day. All participants competed well, with some outstanding individual efforts. Three records were broken on the day;

F Yr 7 50m Backstroke - Emmerson Wood (Chisholm) 39.97s

M Yr 8 50m Breaststroke - Lachlan Bates (Butler) 42.00s

M Open 50m Butterfly - Lachlan Bates (Butler) 35.41s

After a day of great racing, the scores were close, and it came down to the relay events to decide the overall winner. Butler were the eventual champions, a well-deserved win with House Captains

Bridgette Bates & Shannae Mills doing a great job to fill events and get many competitors involved for their house. Well done Butler!!

Butler 1110  
Chisholm 876  
Wesley 864  
Campbell 697

A big thank you to the house captains and staff involved for their efforts in making the day so successful.

Mr Luke Treacy  
Sports Co-ordinator

## YEAR 11 PRESENTATION DINNER

Our Year 11 students were formally welcomed into VCE at the Year 11 Presentation Evening on Friday night. The evening recognises the beginning of students' journey through their senior years of schooling as they tackle the Victorian Certificate of Education. It was an evening to dress up, dance and celebrate the exciting times ahead of our students. Everybody looked amazing and it was fascinating to hear about the hopes and dreams of our Year 11 students.

We congratulate the students and hope they had a wonderful evening with family, friends and staff.

Mrs Wendy Pickering-Tyers  
VCE Co-ordinator

## JUNIOR SCHOOL NEWS

There are many exciting things happening in the Junior School this term including the commencement of our cross-age Buddy Program – Support 7.

The first session took place last week with all students in Years 7 and 11 taking part in a range of relationship-building activities. We heard laughter, saw smiles and felt the kindness and support beaming from all involved.

In Term 1, there have been sessions designed specifically to set up the foundations of this program. Next term, the sessions will be planned and led by the Year 11 students who will take into account the specific needs and interests of their buddies. All students have the added support and guidance of their DELTA Mentors during all sessions. This is just one of the many student-centered sessions that are happening in DELTA. We look forward to what will be the start of a beautiful connection between our juniors and seniors.

## MIDDLE SCHOOL NEWS

Year 9 students started the year with a STRIVE taster session of Choices options. The Program is comprised of six choices. As you can see by the photos, fun and learning happen together for Year 9 students.

**Rock & Water** is a program for Year 9 boys. It contains a range of experiential exercises designed to support young men to develop self-awareness through physical exercise. The aim of the program is to support young men in developing body awareness, emotional awareness and self-awareness.

**Roar** is a program for Year 9 girls. It is designed to build self-awareness, respectful relationships, conversation, relaxation and reflection. Roar aims to support girls in learning how to develop healthy relationships with friends, family, each other and themselves in a relaxed and fun manner.

**Outdoor Pursuits** encourages teamwork, helps to develop leadership skills through group activities and challenges and enables students to step outside their comfort zones. It includes rock climbing, surfing and canoeing.

**Circus & Performance** gives students the opportunity to learn to juggle, tumble, dance and balance. They amaze audiences with devil sticks and glo-poi tricks and they create their own show which they perform at the end of the rotation.

**Sound Generation** provides an opportunity for students to build and to develop technical skill, musical language and knowledge to be a competent sound designer, Techno composer and DJ performer. There is a focus on developing basic knowledge and skills in mixing desk/turning table and digital music production.

**Bounty on a Budget** gives students the opportunity to develop their skills to cook a variety of meals for the lowest possible cost. They plan and shop for a budget meal to feed their family at home and learn the skills to help them make the best possible meals for the lowest possible price. Not only so they plan and cook yummy food, but they get to eat it too!

### UNIFORM

The way each student wears the uniform is an indicator of their commitment to and appreciation of their learning opportunities. Highview has a lovely uniform which is formal but functional.

The Uniform Policy addresses the total appearance of the student while at school and travelling to and from school. The uniform is seen as an external statement of the quality of students being educated at Highview College. It presents to the public an image that is in line with the school ethos. Wearing a uniform assists in creating an identity for the school and aids in developing pride and unity in the sense of belonging to the school community.

A uniform promotes a sense of inclusiveness, antidiscrimination and equal opportunity, while reinforcing the perception that our school is a safe and respectful environment.

It is an expectation of enrolment that students will respect the uniform and that families will assist us in ensuring that it is worn well. Students who arrive at school dressed inappropriately may be supplied with items which will be charged to his/her parent/guardian account.

A student who is out of uniform due to extenuating

circumstances should explain their situation to the Pastoral Care Co-ordinator. Parents or students experiencing difficulty should contact the school for support. We do have emergency supplies of some uniform items which we are happy to supply.

### HAIR

- Well-brushed, neat and tidy and off the face at all times
- Shoulder length or longer hair must be tied back from the face
- Ribbons, hairbands and headbands must be navy, white or red (single colour only)
- Hair should be a natural colour (avoid streaks and other effects)
- Spikes, mohawks or unusual styles are not acceptable
- Hair cannot be any shorter than a No. 2 cut
- No facial hair
- Sideburns no longer than the earlobe

Students considering changing their hairstyle who are unsure that it will be appropriate are asked to discuss this with their DELTA mentor first.

Ms Marion Martin  
Director of Pastoral Care

## FROM THE ACCOUNTS DEPARTMENT

### Conveyance Allowance

The conveyance allowance is a form of financial assistance to help families in rural and regional Victoria with the cost of transporting their children to their nearest appropriate school/campus. The conveyance allowance is available to eligible students travelling by public transport, private car and public bus.

In summary for Highview Students to be eligible:

- Students must attend their closest non-government 'Christian' College
- Reside 4.8km or more from Highview
- Reside 4.8km or more from the closest 'Free Bus Service' bus stop

Forms are available from the Highview Office.

For more information please refer to [www.education.vic.gov.au](http://www.education.vic.gov.au) or contact the Highview office on 03 5459 1000.

### Camps Sports and Excursion Fund (CSEF)

CSEF is provided by the Victorian Government to assist families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means tested concession card or are a temporary foster parent, you may be eligible for CSEF. The CSEF is paid directly to the school and is allocated to the school camp/excursion portion of the school fees. Forms will be accepted until 30 June 2017, however, forms are encouraged to be returned as soon as possible.

Forms are available from the office or our website.

For more information please refer to [www.education.vic.gov.au](http://www.education.vic.gov.au) or contact the Highview office on 03 5459 1000.

### School Fee Payments – direct deposits

When making direct deposits into the Highview bank account for the payments of your fees please include a reference including your surname and account number.

Mrs Karen Crutchfield  
Accounts Officer

## SUN SMART

As a Sun Smart school, we place great importance on observing Sun Smart practices. These include the compulsory wearing of hats during recess and lunchtimes and for all outdoor class activities in Term 1 and Term 4. School hats are available from Macks and are the only acceptable headwear. This information is also included in the Student Planner.

We also recommend the wearing of sunscreen, which is available at any time Reception and the Gym. Remember Slip, Slop, Slap, Seek, Slide.

## NETBALL ACHIEVEMENT

Kate Winkelmann, Tegan Maddern, Chelsea Chapman, Tara Chpaman, Layla Zepnick & Alex Zepnick have been selected to represent the Castlemaine District Netball Association at the World Sport Netball/Rugby Carnival in July. Teams from all over Australia and New Zealand will be attending this week long event. Layla Zepnick and Ebony Raven are currently representing the Castlemaine District Netball Association in the 15/U division of the Regional Victorian Netball League competition, played on Sundays in Bendigo. The winners from each region will compete for top honours later this year. Good luck girls!

Mia Okabe-Hilder and Montanna Brereton recently won a competition at a Vixens fan day.

Montanna handed the ball to the team for the first game in the new National Netball League and Mia was selected to high-five the team on court.

Victoria University and the Vixens were amazed that out of all the girls who attended, two girls from the one town were winners in the competition!

## MOUNTAIN BIKING!

Stefan Maric-Berrigan is currently competing in the Under 17s Victorian Downhill Mountainbike Series, most recently at Mt Baw Baw on the weekend.

Please let us know if your child has done something outside the school that deserves a special mention, and we will do our best to follow up and acknowledge their efforts.

## CAREERS NEWS

### YEAR 10 WORK EXPERIENCE

All Year 10 students will be participating in the Work Experience Program. The week this year is 26– 30 June, which is the last week of Term 2. The following is normally the process for arranging Work Experience:

- Student makes contact with possible employer
- Work Experience paperwork is collected from Careers Co-ordinator
- Paperwork taken to employer for filling out then returned to Careers Co-ordinator
- Paperwork given to Principal for approval
- Folder given to students the week before placement, which contains all paperwork required for Work Experience placement

If a student has difficulty finding a placement, the Careers Co-ordinator has many possibilities for work positions. There is also a site students can access for placements, which is called 'Career Horizons'. If students see a position on this site they need to let the Career Co-ordinator know, as students cannot book themselves. Hospital placements are only done through the Career Co-ordinator. If students are seeking a position at a hospital they will need to be quick, as positions fill fast.

### EMPLOYMENT OPPORTUNITY

The Commonwealth Bank Maryborough have two part-time positions available for 2016 school leavers. If you are interested in applying for these positions go to [www.commbank/careers](http://www.commbank/careers)

## 5 Day Bricklaying Work Ready Program

*Real Skills for the Real World*

**Run Every 3-4 Weeks @ TAFE**

Australian Brick & Blocklaying Training Foundation Limited (ABBTF) runs a 'hands on' work ready bricklaying program. This program can provide a pathway to an Apprenticeship in Bricklaying and a rewarding career in the building industry.

You will learn basic skills in a 'hands-on' environment:

- General trowel skills & laying bricks
- Bricklaying hand tools & using rake jointers & roll jointers
- How to build brick walls, piers & use frame ties
- Correct set up & operation of a concrete mixer
- How to make Mortar batches correctly
- How to set a job up & basic labouring skills
- Plan and organise work
- OH&S work site basics & communication skills

We have employers in Melbourne and Victorian areas looking to take on an apprentice. Successful candidates will be put in touch with these employers and in some cases employers may meet with you during the program. Limited places are on offer and only genuine candidates will be chosen by ABBTF to participate.

# LOGO/SIGN DESIGN COMPETITION

### BRIEF: Wattle Grove Motel

Wattle Grove Motel is a successful business situated on Derby Road in Maryborough, Victoria. Wattle Grove Motel provides accommodation at reasonable rates for singles, doubles, and twin share, three and four persons. There is also a self-contained apartment available for families and/or small groups. They are well known for their quality service and have excellent ratings on web-sites such as trip-advisor.

Wattle Grove Motel requires a new logo design. The new logo will appear on their front sign (see above below), web site, business cards, advertisements and other printed promotional material. They have just finished renovating the motel and they want the logo to reflect their new modern facilities.

Bev Walker, owner of the Wattle Grove Motel, says she is open to all new and creative ideas including the use of different colours, typeface (font), shape and layout of the logo, but she has some constraints. The constraints (rules you must abide by) are:

- The new logo design must be bold and noticeable so as to be easily seen from some distance on the road.
- The logo design needs to be adaptable to the shape of the sign out the front and to also suit printed material.
- If designed on a computer, the image must be high quality with a minimum resolution of 300ppi
- Bev has clearly expressed her desire to NOT include the wattle flower (as can be seen on the external sign).

There will be a prize of \$100 offered to the chosen design (to be judged by Wattle Grove Motel) and a prize of \$50 for second place (to be judged by Highview Art Staff).

Information about Wattle Grove Motel can be found at [www.wattlegrovemotel.net.au](http://www.wattlegrovemotel.net.au). For help and/or any further information regarding the competition, please see or email Ms Pritchard.

Competition closes Friday 24 March.

## Pyrenees Youth Film Project

Are you 12-20\* years old, live in the Pyrenees Shire and want to learn how to make a movie?

Free 3 day workshops (10am-3pm) are being held in the April School Holidays near you! (*note places are limited*)

Professional photographer and film-maker Michelle Dunn will guide you through all the skills needed to make a short film using a smart phone (*yours or we can lend you one if needed*). Michelle will continue to support you through the term to complete your film. These will then be screened together at the end of Term 2.

## Castlemaine District Netball Association

PO Box 362 Castlemaine Vic 3450  
[www.castlemainedistrict.netballvic.com.au](http://www.castlemainedistrict.netballvic.com.au)

President: Ken Maddern  
Email: [castlemainenetball@hotmail.com](mailto:castlemainenetball@hotmail.com)

Records Secretary: Kirsten McKay

The Castlemaine District Netball Association 2017 season starts with Round 1 on Saturday April 22nd or Wednesday April 26th and will be played over 14 rounds. Finals will begin on the 19th August, with the Grand Final held on Saturday 2nd September or Wednesday 30th August 2017.

The Net Set Go program forms the training for the Net Set Go/Modified teams. This competition is noncompetitive.

It is anticipated that the competition will comprise the following grades

Saturday	Net Set Go - Modified (beginners 7-10) 11/Under (turn 10 2017) 13/Under (turn 13 2017) 16/Under (turn 16 2017) Open/Masters/Social (must be 14 yrs. and older)
Wednesday	15/Under (turn 15 2017) 17/Under (turn 17 2017) Open A & B (must be 14 yrs. and older)

Every attempt will be made to maintain similar times to last season, it is impossible to determine until all team entries have been received.

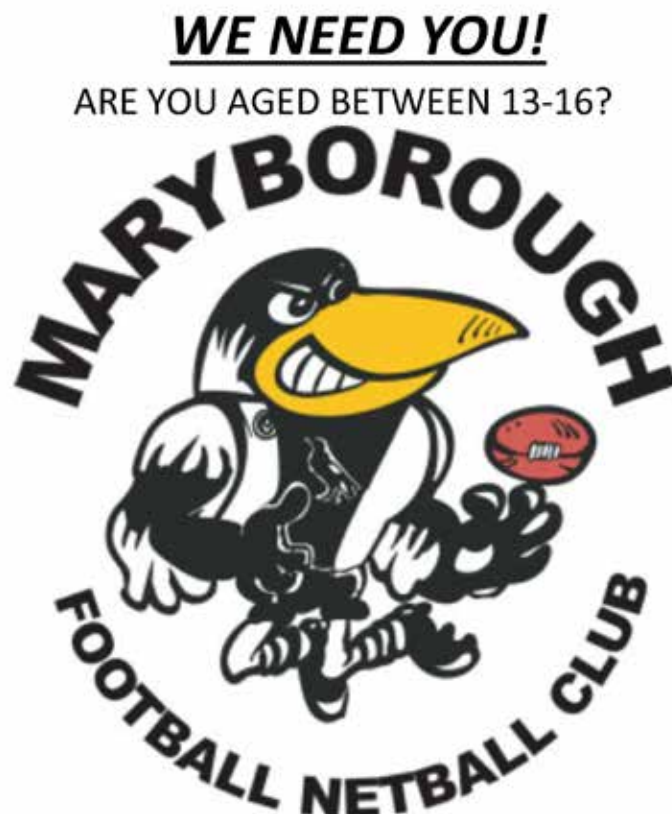

It would be most helpful for planning purposes if proposed team entries were known well in advance of registration day. Any clubs/stand alone teams in a position to submit general team entries earlier than registration day would be most appreciated. Player are to do individual registrations online.

CDNA has an information kit available for those teams or individuals interested in participating this season.

Please ensure your club/team/school has all forms completed and payments received from players prior to our **Registration Day - Saturday 18<sup>th</sup> March** between **9-11am for all grades**. A typed copy of the Team Entry Form would be most helpful for administration purposes if you are able to supply this.

We look forward to another successful and enjoyable netball season.  
Regards,

Kirsten McKay  
Records Secretary
