Wednesday 19 September

VCE Music Recital 4.30pm to 5.30pm - Music Room

Friday 21 September

Closing date for Bruce Dellavedova Scholarship applications 3.15pm
Footy Colours Out of Uniform Day
- Gold coin donation
Term 3 classes conclude 2.30pm

Monday 8 October

Term 4 classes commence

DISNEY SOCIAL FUN

This year the Junior School Student Council was responsible for decorating the theatre and gym in the theme of Disney. The Theatre looked great with posters and lights, while the hall and the foyer contained awesome decorations, including the balloon archway, character cut-outs and a photo wall. Congratulations to all of the Junior Council members who gave up many lunch times to create the decorations. Your time and commitment is very much appreciated. Also a special thankyou to Mr Fourie, Mrs Davies, Ms Pritchard, Mrs Pickering-Tyers and the IT department for your help!

The Middle School Student Council was in charge of catering for the Social. On the menu was pies, sausage rolls, chips, lollies and soft drink. A couple of Year 9 girls also made cupcakes and cookies. It was a great night! Shout out to Mrs Dunne

and the Middle School Student Council for managing the food preparation.

This year the Senior School Student Council was involved in ticket selling, promotional posters and organising a DJ. This year the DJ, Jayden Templeton, played some wonderful bangerz for the socialites who attended this year's 'Disney Social'. We also thank Mrs Pickering-Tyers, the Senior School Council representatives and everyone involved in helping with ticket sales and assisting with the promotion of the event.

All of the school leaders would like to thank Ms Martin, Mrs Wendy Pickering-Tyers, Mr Egan, Mr Treacy and all of the other staff who assisted in making the social a fun and successful night.

Baylie Lang
School Captain

Please note that one term's notice of withdrawal is required in writing to the Principal

Book School Interviews Online

Dear Parents

Parent/Teacher/Student interviews will be held between **4.00pm – 7.00pm** on **Monday 17 September**.

You can now book interviews for the times that suit **YOUR FAMILY**.

Go to www.schoolinterviews.com.au and follow these simple instructions.

BOOKINGS CLOSE MONDAY 17 SEPTEMBER at 9.00am

Go to

www.schoolinterviews.com.au

Enter **THIS** school event code.

Then follow the 3 simple steps.

When you click **finish**, your interview timetable will be emailed to you automatically - **check your junk mail folder** if you do not receive your email immediately. You can return to www.schoolinterviews.com.au at any time, and change your interviews - until bookings close.

BOOKINGS ARE OPEN SO ALL FAMILIES MAY BEGIN BOOKING IMMEDIATELY.

Parents who don't have internet access can have their child(ren) access the booking site using computers at lunchtimes to make bookings or phone the school on 5459 1000 and Office staff will book when time allows. Interviews are up to **10** minutes. If you require more time, please contact your teacher directly and make alternative arrangements.

If there are no suitable times available on the schedule for a specific teacher, parents will need to contact the classroom teacher directly to arrange an alternative interview time outside the allocated schedule. Parents can change their interview times any time prior to the closing date, by re-visiting the www.schoolinterviews.com.au website, and using the code. Parents wishing to change their interview times after the closing date should contact the school directly on 5459 1000

FROM THE ACCOUNTS DEPARTMENT

School Fee Payments – direct deposits

When making direct deposits into the Highview bank account for the payment of your fees please include a reference including your **surname and account number**. The details for bank deposits are found on your fee statement.

Fee statements are forwarded via email to the allocated fee payer for each student, so please make sure your email details are up to date. Term Fees are due at the beginning of each term.

If you have any queries, please email accounts@highview.vic.edu.au or phone 5459 1000.

Bus Passes

Bus passes must be obtained for students needing to travel on buses that they wouldn't ordinarily travel on. It is important that all students travelling on any of the bus services are accounted for.

Should your child need to travel on a contract bus, a bus pass should be obtained from Steve Broad at M.E.C. (5461 7900). Should your child need to travel on the Castlemaine, Newstead, Maldon or St Arnaud buses, a bus pass can be obtained from the Office - either in the form of a written note or a phone call from the parent or guardian.

Both passes require 48 hours notice.

Private Music Program

We have the following instruments available for private music lessons:

- Piano/keyboard
- Guitar (Electric or Acoustic)
- Bass Guitar
- Voice
- Drums
- Saxophone

No prior musical knowledge is required just a sense of fun and a commitment to practice. Students participating in the instrumental music program are withdrawn from their normal classes on a rotating timetable for a 30-minute lesson. Cost is \$27 per lesson. There is also a number of opportunities for students to play in a range of performing groups throughout the year.

Please express your child's interest in the Instrumental Music Program to Reception or email kcrutchfield@highview.vic.edu.au

Mrs Karen Crutchfield
Accounts Officer

HIGHVIEW MOVING FORWARD

From The new chair of the College Board,

At the recent August Board meeting it was my honour to be entrusted with the reins of governance leadership of Highview College. In taking on this considerable role I would like to offer my gratitude and respect to previous board chairs and to those board members who have recently stepped down from the board.

I am rapidly gaining an appreciation for the many excellent qualities of the College, it's staff, students and school community. In preparing for this new role I have spent time meeting and getting to know senior staff, fellow board members and the student leaders. I thank them all for their welcome and their responses to my various fact-finding questions.

After recently completing a 15 year tenure as Head of Launceston Church Grammar School it is a real pleasure to return to the inspiring atmosphere and bustle of a vibrant and lively school. I look forward to working with the college board in preparing and planning for the future growth and development of Highview College.

With all good wishes to each member of the Highview College Community.

Stephen Norris

PASTORAL CARE DEPT

Soft Shell Jacket for 2019

Highview College is introducing a soft-shell jacket as part of the school uniform. It will be available early in 2019.

The soft shell jacket replaces the sports jacket and sports hoodie. Unlike those items, it can be worn as part of the school uniform, whilst at school and on the way to and from school. The new jacket does not replace the Highview blazer but is an additional uniform item.

Many thanks to Lucy Freemantle and the PE Department for their efforts in achieving this result.

School Crossings

Please note that correct behaviour when using school crossings is a legal requirement and vital for the safety of all involved. Students are not to cut corners when using the crossing but must remain within the lines. Students must remain at the kerb until the crossing supervisor blows the whistle to indicate that it is safe to cross. I ask for your co-operation in this matter.

The Great Debate

Two Highview College students, Erin Holland, Year 8 and Siri Peteti, Year 7, participated in the second annual Great Debate which was held at the Maryborough Rotary meeting on Thursday 6 September. Teams consisted of one Highview student, one MEC student and one Rotarian.

There were two topics for debate. They were "Does Maryborough offer the youth of today enough?" and "Climate change is affecting Central Victoria". Participants knew the topics beforehand but didn't meet the rest of their team until the night. They worked together briefly during the meal served before the debate.

Competition was fierce in this friendly, fun-filled setting but no scores were kept. Everyone was a winner.

Ms Marion Martin
Director of Pastoral Care

FROM THE PE DEPT

Physical Education Uniform Trial

In response to student requests, we are currently trialling a change in Physical Education uniform expectations:

- Physical Education in Lessons 1&2

The Physical Education uniform may be worn to school when students have Physical Education in Lessons 1&2. In this case, students are expected to change back into school uniform during recess.

- Physical Education in Lessons 3&4

Students who have Physical Education in Lessons 3&4 must change into their Physical Education uniform at Recess and back into their formal uniform at lunchtime.

- Physical Education in Lessons 5&6

Students who have Physical Education in Lessons 5&6 will change into their Physical Education uniform at lunchtime. They may however, travel home in their Physical Education uniform when they have Physical Education classes in Lessons 5&6.

This trial will not continue if students do not adhere to the expectations above.

Active8 Gym Program

The Physical Education department has developed a new fitness challenge that ranges for all year levels.

How the program works:

- There are 8 different levels. (Red, Yellow, Orange, Green, Blue, Purple, Brown and Black). As the levels progress, so does the difficulty. You are required to complete all the exercises in that level before you progress to the next level.
- It is up to you how quickly you want to complete the level. You do not need to complete all the required exercise in one session. You can complete one exercise for that session and it will be recorded.
- Monday will be Year 7&8 testing, Wednesday will be Year 9&10 testing, and Friday will be Year 11&12 testing.
- Tuesday and Thursday, you can train and practice for various exercises.

What do you get?

- Once you complete the level, you will be recognised on the prestigious Active8 honour board which is located in the Mudbrick.

How to join?

- Collect a Highview College gym waiver form from the PE staff in the mudbrick
- The program will be starting at the beginning of Term 4.

Mrs Lucy Freemantle
Head of Physical Education

about some up and coming September workshops!
<https://coderacademy.edu.au/kids-coding-courses/Melbourne-September-School-Holidays>

Introducing Mission Discovery - a five day space, STEM and leadership program for secondary school students.

We are proud to be hosting the Mission Discovery program, which is coming to Australia for the first time this September school holidays.

Mission Discovery offers full immersion in Space and STEM – with plenty of hands-on activities, and is run by Latitude Travel Group in association with ISSET and NASA.

As part of the program, students will:

- Learn from NASA astronaut, engineer and ISS commander Steve Swanson, NASA leaders and expert scientists from the University of Melbourne
 - In teams, take on the role of research scientists and design a space Science experiment
 - The overall winning team's experiment, as judged by the NASA panel, will be launched to the International Space Station and conducted by astronauts on board!
 - Develop leadership, teamwork and public speaking skills
 - Hear a range of Space and Science careers paths
- See the Mission Discovery website for the full program and costs.

DATES AND TIMES

24 - 28 September 2018
9.30am - 4.30pm each day

VOCATIONAL & TRADES WEBSITES

Australian Apprenticeship Pathways: You will be able to undertake apprenticeship aptitude tests, find local apprenticeship and group training centres and learn about different trade occupations www.aapathways.com.au/

Defence Jobs: trades in the Defence Force, www.defencejobs.gov.au/

My Skills: You can search for and explore vocational courses across Australia, learn about in demand jobs and watch videos of young people who have completed vocational training, <http://bit.ly/1D8uek7>

Automotive Technical and Parts Apprenticeships: Vantage Automotive Pty Ltd invite students from all over Australia to apply for their Modern Apprenticeship Program. Successful students will undertake their apprenticeship at a dealer of their choice and be flown to Melbourne or Sydney for block training. To find out about the application process, the program, and to view a list of dealers, go to www.vantageautomotive.com

Do you need a White Card? If you would like to undertake work experience or work in the construction industry, you

will need to complete occupational health and safety induction training. To prepare for this, you can undertake the 'White Card Game'. Through an online first person perspective, the goal of the game is to identify, control and report workplace hazards on a construction site without getting injured or causing the death of workmates. Go to www.whitecardgame.com.au/

SkillsOne: you can watch videos about different trades. www.skillsone.com.au/

Construct My Career: careers in construction such as carpentry, surveying, security, and property services, <http://bit.ly/2fMwyLI>

2019 FREE TAFE FOR PRIORITY COURSES

Free TAFE for Priority Courses is a Victorian Government program that will pay your tuition fees to study in selected courses at TAFE, if you're eligible.

Who is eligible for Free TAFE for PRIORITY Courses?

- You might be eligible if you are under 20 years old, or if you are enrolling in a course at a higher level than any you have completed before, but you can check at any TAFE or contact the Training and TAFE line on 131 823.
- A TAFE will confirm your eligibility when you enrol in Free TAFE for Priority Courses.

When does Free TAFE for Priority Courses start?

- Free TAFE for Priority Courses will start on 1 January 2019.
- TAFEs may take enrolments for Free TAFE for Priority Courses that commence in 2019, during 2018.

Which courses will be tuition-free priority courses?

- The tuition-free priority course list includes 20 non-apprenticeship courses and 18 courses that provide pathways to apprenticeships (also known as 'pre-apprenticeships').
- The tuition-free priority courses lead to occupations in industries where there are likely to be more jobs. Some of them lead to work in important areas like preventing family violence, rolling out the National Disability Insurance Scheme in Victoria and delivering our major infrastructure projects.
- The initial 20 priority non-apprenticeship courses are:

- Certificate IV/Diploma/Advanced Diploma in Accounting
- Certificate IV in Ageing Support
- Certificate II/III/IV in Agriculture
- Certificate III in Agriculture (Dairy Production)
- Certificate III/IV in Allied Health Assistance
- Certificate IV/Diploma in Building and Construction (Building)
- Certificate III in Civil Construction
- Certificate III/IV/Diploma in Community Services
- Certificate III in Concreting
- Certificate III in Construction Waterproofing
- Certificate III/IV in Dental Assisting
- Certificate IV in Disability

- Certificate III/IV in Education Support
- Certificate IV in Engineering
- Certificate III in Horticulture
- Certificate III in Hospitality
- Certificate III in Individual Support
- Certificate IV in Mental Health
- Diploma of Nursing
- Certificate IV in Plumbing and Services.

• The 18 apprenticeship pathway courses are:

- Certificate II in Automotive Air Conditioning Technology
- Certificate II in Automotive Body Repair Technology
- Certificate II in Automotive Servicing Technology
- Certificate II in Automotive Vocational Preparation
- Certificate II in Construction Pathways
- Certificate II in Electrotechnology Studies (Pre-vocational)
- Certificate II in Electrotechnology (Career Start)
- Certificate II in Engineering Pathways
- Certificate II in Engineering Studies
- Certificate II in Furniture Making
- Certificate II in Glass and Glazing
- Certificate II in Horticulture
- Certificate II in Meat Processing (Food Services)
- Certificate II in Plumbing (Pre-apprenticeship)
- Certificate II in Printing and Graphic Arts (General)
- Certificate II in Retail Baking Assistance;
- Certificate II in Salon Assistant
- Certificate II in Signage and Graphics.

NSW/Canberra Institutes, Schools Recommendation Schemes. Includes Government funded universities such as Australian National University, Charles Sturt University, Macquarie University, University of Canberra, University of Newcastle, University of Technology Sydney and Western Sydney University.

Applications close Friday 28 September, <http://bit.ly/2arK6ZG>

CAREERS Cont...

EDUCATION - CASPer Test

First CASPer Test is on Tuesday 25 September (Required for applications at; ACU, Deakin, Fed Uni, La Trobe, Monash, RMIT, Swinburne and Vic Uni).

INDUSTRY FOCUS - Health (Paramedic/Ambulance Officer)

According to the Australian Department of Jobs and Small Business*, 'Health and Welfare Support Workers' are looking at a 19.2% increase in employment over the next five years and the occupation as a Paramedic/Ambulance Officer is projected to have a 24.5% increase specifically. It is worth considering this career if medicine and science is your chosen pathway.

Paramedics provide pre-hospital emergency health care and transport for injured, sick, infirm and aged persons to medical facilities and may perform the following tasks:

- Driving ambulances to sites of medical emergencies and accidents that may require the administration of advanced life support.
- Assessing and treating patients at the site and on the way to hospital.
- Administering pain-relieving drugs and replacing fluids, often by inserting cannulas via veins.
- Preparing patient care records and other written reports including a summary on injury/illness and the treatment provided.
- Lifting patients onto stretchers, loading stretchers into ambulances and transporting to hospital.
- Providing routine transport for patients requiring further or specialized treatment.
- Other duties such as; checking equipment and supplies daily.

Paramedics work in a range of weather conditions and are required to assist at a range of incidents, so they work in teams and shifts. They may be called to motor vehicle accidents and medical emergencies inside or outside of domestic premises, building sites and public areas. Specifically, this could include confined spaces i.e. under vehicles and buildings and hazardous accidents such as fires, chemical spills etc. They also work closely with other emergency workers such as firefighters, police and SES (State Emergency Service).

Specialisations in this field include:

- Intensive Care Paramedic - Attends life-threatening emergencies and gives intensive treatment to patients before arrival at hospital. (This requires additional training in the areas of anatomy/physiology, pathophysiology and pharmacology to be able to make medical decisions without consultation.
- Paramedic Clinical Instructor - Provides training and support to paramedic interns.

Depending on your chosen specialist area, you can refer to the table below for bachelor degree options, which normally are a minimum of 3 years of full time study or equivalent. Upon completion, graduates are then eligible

to apply to Ambulance Victoria as a graduate paramedic and complete a one-year practical training programme. However as courses do change, you will need to contact the universities you are interested in for further information.

ACU

Bachelor of Nursing/Paramedicine - ATAR 72.25

Monash University

Bachelor of Paramedicine - ATAR 75.15

DOLLY'S DREAM FUNDRAISER

Amy 'Dolly' Everett was a victim of bullying who ended her own life at the young age of 14.

Dolly's Dream is a vision established by her parents, Kate and Tick, along with family and friends in her memory.

Dolly's Dream aims to increase awareness of the serious issue of bullying and its devastating effects; work to prevent bullying; mitigate bullying, including cyberbullying, within schools; change the culture in the community to prevent bullying and to support the victims of bullying.

Kate and Tick Everett have decided to partner with the Alannah & Madeline Foundation (ABN 96 514 115 810), one of Australia's best known and trusted children's charities, to ensure that Dolly's Dream will help prevent other children being affected by bullying.

AFL TICKETS

Ryan Lovett is another of our students who was fortunate to receive AFL tickets from Mr Treacy, taking in the Melbourne v Sydney game at the MCG in August. He shared the day with his two friends, also from Highview College, Zeb Potter and Beau Govan.

They had a great day, which would have been much better had the Dee's kicked straighter apparently!

Thank you Mr Treacy!

THANK YOU

GREAT CYCLE CHALLENGE

Cancer is the largest killer of children in Australia. Over 600 Australian children are diagnosed with cancer every year and, sadly, three children die every week of cancer.

The Great Cycle Challenge is a cycling foundation that raises money for those seeking cures for children's cancers. Macey Parry, Liam Palling, Allegra Roberts, Dylan Jacobs, Lily Cain, Angus Ostarcevic, Gina Ross and myself (Baylie Lang) are part of Highview's EBT community and we have joined forces to compete in this year's cycling challenge. We have set ourselves a total riding goal of 2,500km within the month of October. We are also aiming to raise \$2500 for the foundation.

To be able to complete this we have individual riding and fundraising goals which will help us to achieve our collective goal. So far we have raised \$2,093.33. The Highview College team rides to school every day and has training every Monday, Wednesday and also Sundays. This will not only get us ready for the Energy Breakthrough but will assist us to clock up the kilometres for the Great Cycle Challenge. We track our Kilometres through Apps and fitness trackers which we are able to link to our account which counts our distance for us.

The 'Great Cycle Challenge' began in 2013. After just five years, the event has grown to become one of the biggest cycling events in Australia. People of all ages, abilities and from every State set themselves a personal riding goal and challenge themselves to pedal throughout October to fight kids' cancer.

In five years, the community of 42,498 riders from all six states and two territories have ridden a total of 10,305,632km. Together they have raised \$12,280,194 in support of research to develop better treatments and to seek a cure for childhood cancer.

We are riding to give all kids the bright futures they deserve. We believe that everyone can make a difference and that the best thing that can come from this is a world without cancer where all kids are living life, not fighting for it. If you can't join the riders, sponsor them!

EBT CHEQUE PRESENTATION

A big thank you to the Maryborough Highland Society for their generous donation recently to our 2018 EBT campaign.

HIGHVIEW COLLEGE

Education Through Wholeness

SPONSORSHIP OPPORTUNITY

We invite you to be a part of Highview College's campaign in
THE 2018 RACV ENERGY BREAKTHROUGH

Highview has had a lot success in their past years of competing in the RACV Energy Breakthrough:

2014 OPEN TEAM OVERALL WINNER - JUNIOR TEAM RUNNERS UP

Energy Breakthrough 2014 was very successful for the Highview College teams. The three school teams placed in the top 3 in their respective categories. The 'Dat Bass' Junior squad placed Runners Up.

The 'Dia Dia' VCE team were very consistent across the event, winning the Design & Construction category and placing 3rd overall in the HPV C division. The 'Draggin Dutchman' HPV Open team were crowned the overall winners. The win was Highview College's 4th Overall HPV Open win in the past 13 years.

2015 ALL TEAMS PLACE IN TOP 4

The three school teams placed in the top 4 in their respective sections, a brilliant team effort! The 'Zazu' Junior squad, had several members participating in their first secondary school event. The team achieved high scores across all sections, including second in the race and were the overall winners. The 'D-Rex' VCE team placed 3rd overall in the HPV C division. The 'Brazilian Bullant' HPV Open team, as defending champions, performed well in all categories and finished 4th overall.

2016 WINNERS & RUNNERS UP

The three school teams placed in the top 2 in their respective sections, an incredible effort! The Finding E'FISH'ieny Junior squad achieved high scores across all sections, including WINNING in the race and were the overall Runners Up. The 'Nevis' VCE team WON the race, WON the design & construction, and were the overall Winners in the HPV C division. The '#onlythebeginning' HPV Open team, performed well in all categories, including WINNING the display and presentation, and finished overall Runners Up.

2017 ALL TEAMS PLACE IN TOP 3

The three school teams all placed in the top 3 in their respective sections, a brilliant effort! The 'Emoji Go' Junior squad placed 2nd in the Display & Presentation, 3rd in the trial and 3rd overall. The 'Off The Grid' Middle School team finished 3rd in the trial, 2nd in the Display & Presentation and overall Runners Up in their B2 division. The 'Aziz' VCE team placed 2nd in the Display & Presentation, WON the trial and were declared OVERALL WINNERS of the C Division. Amazing work from all teams. The students are excited about the 2018 event!

HOW IS THE SPONSORSHIP USED?

There are many costs involved each year preparing for the RACV Energy Breakthrough. Some of these costs include building the trikes, maintaining and upgrading past trikes, entry fees, spare parts, safety equipment including helmets and gloves, just to name a few of the expenses for the race alone.

Your sponsorship will allow our teams to purchase new equipment and meet other expenses, including providing nutritious food to sustain our riders throughout this physically taxing weekend.

Each year, students at Highview put in a lot of effort for the RACV Energy Breakthrough. This year, we hope to make it our best year yet, and we would love your support.

TEAM SPONSORSHIP PACKAGES

GOLD - Money/Vouchers or goods to the value of \$300+

Over the past 10 years a number of businesses have taken up the major sponsorship on one of the trikes. This entitles your business to have your signage on the race trike, and a banner or sign in the Scout Hall area. Your business will also be acknowledged in the team presentations and any news articles associated with the racing team and the trike. What a great opportunity to promote your organisation over the busiest week of the year in Maryborough. There will also be acknowledgement in the Highview Herald (fortnightly school newsletter), School Magazine, the Highview Facebook page and in next year's training manual.

SILVER - Money/Vouchers or goods to the value of \$200

Your Name will be placed on signage and news articles associated with the racing team and the trike. Your name will also be mentioned in the Highview Herald and School Magazine.

BRONZE - Money/Vouchers or goods to the value of \$150

Your Name will be placed on signage and news articles associated with the racing team. Your name will also be mentioned in the Highview Herald and School Magazine.
