## 2018 FUTSAL TITLES

This year Highview College sent three teams to the FFV Futsal Ballarat Secondary School titles, with two teams competing in the Under 14s division and one team in the Under 16s division. We faced teams entered from Mt Clear College and St Patrick's College in Ballarat. While none of our teams qualified for the grand finals, all improved as the day went on and displayed some impressive individual and team performances. All three teams displayed excellent attitudes and represented Highview College well.

Our **Under 16 team** finished third in their group with one win and three losses. This was a tough division as all our opponents featured players who had played futsal at much higher levels. It was a solid team performance in this division and they were unlucky in their losses, pushing all their opponents every game.

U16 Results: 0-3 vs Mt Clear A, 3-1 vs Mt Clear B (Dy Ngim 2, Kyle Clifford), 1-2 v St Pat's Blue (Dy Ngim), 1-2 vs St Pat's Gold (Tafryn Stephens)

The Under 16 Team

Our **Under 14 White** team finished fourth in the group and were only one win away from qualifying for the final. They developed rapidly as a team throughout the tournament, recovering from a 9-0 loss in the first game against the eventual champions, finishing with a record of 3 wins, 2 draws, and 2 losses. Hamish Teague gets credit for possibly the goal of the tournament, a howitzer of a right foot shot from inside his own half that almost blew a hole through the back of the net.

U14 White Results: 0-9 v St Pat's Green, 1-2 v St Pat's White (Charlie Harris), 3-0 v St Pat's Blue (Ethan Chaplin 2, Charlie Harris), 1-2 v Mt Clear A (Charlie Harris), 2-2 v Mt Clear B (Charlie Harris, Hamish Teague), 1-0 v Highview Blue (Ethan Chaplin), 2-2 v St Pat's Gold (Adelaide Lighten, Charlie Harris)

Our Under 14 Blue team was one of the youngest and smallest teams in the division and, despite losing all their games, again improved throughout the tournament. The passion, sportsmanship, and enthusiasm they showed was commented on by other coaches and the tournament organiser. The highlight was them nearly holding the bigger and more experienced Highview White team to a draw in their game.

U14 Blue Results: 0-3 v St Pat's White, 0-8 v St Pat's Blue, 1-3 v Mt Clear A (Beau Govan), 0-2 v Mt Clear B, 1-3 v St Pat's Gold (own goal), 0-1 v Highview White, 0-8 v St Pat's Green

An extra special thanks must go to the multi-talented Mr Fitt for driving the bus and coaching the Highview Blue team, and to our uni helper Lauren Riddel for taking the time to come down and help all our teams on the day.

## ESSENDON FC VISIT

Highview students were fortunate to receive a visit from two current Essendon players, Zach Merrett and Devon Smith during the week. The players mingled with the students on the oval during lunch and followed this with a Q & A session with several PE classes. A big thank you to Mr Treacy and AFL Central Victoria football development manager, Jamie Macri for making this happen!

## NARMBOOL EXCURSION

Year 9 students travelled to Narmbool Lodge to learn about and explore the land and history now owned by Sovereign Hill.

The workers tirelessly tend to the land and animals every day to maintain the environmentally-friendly farm, created by the ex-owners of Narmbool.

Throughout the day, we were shown dams around the farm, learnt about the farm history (dating back to the 1800s) and investigated the Homestead, including the original farm house and barns, machinery and shearing shed. We also tested the alkalinity, PH and salinity of waterways on the property.

We walked away from the trip full of knowledge about an environmentally-friendly estate and what we can do to ensure that the land is healthy and flourishing.

## ICCES ATHLETICS

On Thursday 10 May, a squad of 36 students travelled to Melbourne for the 2018 ICCES Athletics, held at the Albert Park Athletics Track. The same track that the Greatest Athlete of All Time, Jamaican sprinter Usain Bolt, raced on in 2017.

Cold conditions, with the odd shower of rain made events more challenging, however very rewarding for all participants.

Highview College performed well on the day in what is a very high level of competition, to place 6th in the STAR Award (based on enrolment numbers), and 8th overall. There were many excellent individual results, with most competitors recording personal best efforts.

Highview College had several students win and record placings in their events.

- Tom Myers placed in all five of his events. He was 1st in the 200m, 400m, Triple Jump and Long Jump, and 2nd in the 100m, what an effort!
- Charlie Harris was 1st in the Triple Jump and 1st in the High Jump
- Theresa Buchanan - 1st in the Long Jump, 2nd in the Shot Put and 3rd in the Triple Jump
- Oscar Tatchell - 2nd in the High Jump
- Darcy Kelly - 2nd in the Long Jump
- Nick Peart - 2nd in the Javelin
- Kayla Blazko - 2nd in the Triple Jump
- Holly Stephens - 2nd in the Javelin

The day was topped off by both Tom Myers (Yr 7) and Charlie Harris (Yr 8) being named Year Level Champions!

Thanks to Mr Treacy for organising the teams and to Mr Smart and Mr Payne for accompanying the team. Well done to all students involved.

## TOP ARTS EXCURSION

On Thursday 3 May the VCE Studio Arts students travelled to Melbourne to see the Exhibition "Top Arts". They were blown away by the quality and variety of artwork from last year's highest achieving students. This was followed by a walking tour of an alternative art space, the graffiti art of Hosier Lane.

After lunch we attended a lecture at the gallery and students were given the opportunity to gain an insight into the themes and ideas, materials, techniques and sources of inspiration of the exhibiting graduates. We then donned protective gloves in the folio room and were able to browse through the working documents, the visual diaries, sketchbooks and folios that lead to such wonderful artwork.

The day gave students insight into the journey and working methods of successful Studio Art students.
