YEAR 11 PRESENTATION DINNER

Our Year 11 students were formally welcomed into VCE at the recent Year 11 Presentation Evening.

The evening recognises the beginning of the journey for our Senior students through their senior years of Secondary schooling as they tackle the Victorian Certificate of Education. It was an evening to dress up, dance and celebrate the exciting times ahead. Everybody

looked amazing and it was fascinating to hear about the hopes and dreams of our graduating class of 2019.

We congratulate the students and hope they had a wonderful evening with family, friends and staff.

Wendy Pickering-Tyers
Head of Senior School

YEAR 11 PRESENTATION DINNER Cont...

CONGRATULATIONS

Congratulations to Connor O'Shea who has been selected in the Under 18 Rural Bank Bendigo Pioneers Squad for season 2018. This is Connor's second season with the Pioneers after being selected as a bottom age player in 2017.

Connor O'Shea

Congratulations also to Hayley Swanton, Alicia Myers, Tom Myers, Angus Ostarcevic & Jake Swanton, who represented Stuart Mill in recent CFA Demonstrations in Natte Yallock (March 4) where they received a 1st and 2nd in their events, Mandurang (March 12) where they placed 1st twice, 2nd and 3rd, and Waubra (March 18), where they placed 2nd in five events and 3rd in two. To top this event off, Jake and Tom's team won the District 16 Aggregate Trophy.

Well done!

Hayley Swanton

Alicia Myers

Tom Myers

Angus Ostarcevic

Jake Swanton

Congratulations to Jai Howell and Mick Malik for receiving the Under 13 & Under 15 respectively Player of the Series in the MDCA Junior Country Week Competition.

Jai Howell

Mick Malik

Will Moran

Nick Myers

Congratulations to Nick Myers and Will Moran who have been selected in the Under 17 Bendigo Pioneers Development Squad for season 2018.

FROM THE ACCOUNTS DEPARTMENT

School Fee Payments – direct deposits

When making direct deposits into the Highview bank account for the payment of your fees please include a reference including your **surname and account number**. The details for bank deposits are found on your fee statement.

Fee statements are forwarded via email to the allocated fee payer of each student, so please make sure your email details are up to date. Term Fees are due at the beginning of each term.

If you have any queries, please email accounts@highview.vic.edu.au or phone 5459 1000.

Conveyance Allowance

The conveyance allowance is a form of financial assistance to help families in rural and regional Victoria with the cost of transporting their children to their nearest appropriate school/campus. The conveyance allowance is available to eligible students travelling by public transport, private car and public bus.

In summary for Highview Students to be eligible:

- Students must attend their closest non-government 'Christian' College
- Reside 4.8km or more from Highview
- Reside 4.8km or more from the closest "Free Bus Service" bus stop

Forms are available from the Highview Office.

For more information please refer to www.education.vic.gov.au or contact the Highview office on 5459 1000.

Camps Sports and Excursion Fund (CSEF)

CSEF is provided by the Victorian Government to assist families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means tested concession card or are a temporary foster parent, you may be eligible for CSEF. The CSEF is paid directly to the school and is allocated to the school camp/excursion portion of the school fees. Forms will be accepted until 28 June 2018 however forms are encouraged to be returned as soon as possible. Forms are available from the Office or our website.

For more information please refer to www.education.vic.gov.au or contact the Highview office on 5459 1000.

Karen Crutchfield
Accounts Officer

NAPLAN

Year 7 & 9 NAPLAN Testing

The Year 7 & 9 NAPLAN tests will be held between Tuesday 15 May and Thursday 17 May. The brochure included in this Newsletter provides essential information to parents/carers.

If you have any further concerns or questions about your child's participation, please contact either myself or Lorraine Caldwell (Head of Learning Support) by the end of Term 1.

Mrs Wendy Hare
Director of Professional Practice

PRIVATE MUSIC PROGRAM 2018

We have the following instruments available for private music lessons:

Piano/keyboard
Guitar (Electric or Acoustic)
Bass Guitar
Drums/Percussion
Voice

No prior musical knowledge is required just a sense of fun and a commitment to practice. Students participating in the instrumental music program are withdrawn from their normal classes on a rotating timetable for a 30 minute lesson. Cost is \$27 per lesson. There is also a number of opportunities for students to play in a range of performing groups throughout the year.

Please express your child's interest for the Instrumental Music Program for 2018 to Reception or email kcrutchfield@highview.vic.edu.au

Mrs Karen Crutchfield
Accounts

SUN SMART

As a Sun Smart school, we place great importance on observing Sun Smart practices. These include the compulsory wearing of hats during recess and lunchtimes and for all outdoor class activities in Term 1 and Term 4. School hats are available from Macks and are the only acceptable headwear. This information is also included in the Student Planner.

We also recommend the wearing of sunscreen, which is available at any time from Reception and the Gym. Remember Slip, Slop, Slap, Seek, Slide.

FRANKENSTEIN

'Shane Harman Productions' is presenting a musical version of 'Frankenstein' in their second season at Highview College. This is a family-oriented theatre group in which many cast members are related. Mike Smythe & son, Crispin Smythe, Jeanean Pritchard & daughter, Asha Eggerling, Nicole Fornal & daughter Lilli Fornal. Pictured are four of the cast from the Harman Family: Shane Harman and his talented daughters Zoe, Leilani and Annie. Kylie Harman is also the Co-Director of the Company. Following the extremely successful staging of 'Sweeney Todd' in 2017, Highview College is delighted to welcome the semi-professional group back to perform once more for the Maryborough community.

- Thursday 22 March 7.00-9.30pm
- Friday 23 March 7.00-9.30pm
- Saturday 24 March 7.00-9.30pm

Tickets are \$20 and available through Trybooking.com/RQNF or 0411 460 793

Melinda Scash
Principal

ICCES SWIMMING / BADMINTON / TABLE TENNIS

Highview College performed well at the annual ICCES Swimming/Badminton & Table Tennis competition, held at the Melbourne Sports and Aquatic Centre, Wednesday 7 March. This year, Highview College had a team of 26 swimmers and 23 Badminton/Table Tennis players.

The standard of competition at the ICCES events is extremely high, so it is very exciting when our country students have the opportunity to compete in high level events, at world class venues.

Our swimmers performed very well, coming home with several personal best times. They were led by; Lachlan Bates received 3rd place in the freestyle, amongst several close finishes. Amber Ross also placed 3rd in her freestyle race. Emmerson Wood swam brilliantly. She finished 1st in the backstroke, 2nd place in the freestyle, and 3rd place in the butterfly. This meant that she was named the Year 8 Female Champion – what a magnificent effort!

Our swimming team finished in 8th place. Well done to all involved. Thank you to Mr Treacy, Mrs Youren and Mr Mandersloot for supporting the teams throughout the day.

The Badminton and Table Tennis teams also performed well. All players played well and enjoyed the high level of competition, and the opportunity to play against the other independent schools. Thank you to Mr Smart and Mr Treacy for working with the teams in the lead up to the event, and on the day.

MDHS ACTIVE DAY

Last Tuesday 10A participated in a sporting afternoon organised by Maryborough District Health Service. Local sporting clubs were represented and they organised activities for students from Highview and MEC. The sports included: netball, soccer, tai kwon do and AFL. All students had fun and enjoyed the opportunity to participate. Thank you to MDHS for organising such a great event.

Mrs Lucy Freemantle
Head of Physical Education

ROTARY LIFT PROGRAM

Nine Highview college students from Years 9 to 11 attended the recent LIFT Leadership Program, along with students from MEC. This day-long program was run by Shane Green and was sponsored by the Maryborough Rotary Club.

Students who elected to attend the event were full of praise for the day. Two students also attended last year and were keen to return this year. The program included discussions and insights into what makes an effective leader, with fun activities interspersed.

Many thanks to Rotary and Shane for an excellent day.

Ms Marion Martin
Director of Pastoral Care

'BLUE' OUT OF UNIFORM DAY

Last Friday, Highview held an Out of Uniform & Pizza Day to raise funds for The Asthma Foundation in memory of Ned Cameron. We are delighted with the spirit to which the students and staff participated. In the process, we raised \$1,773.06 - what an amazing effort! Thank you to all.

SUMMER SPORTS RESULTS

TENNIS

Some exciting Tennis was played at the Maryborough Lawn Tennis Club.

The Highview Junior boys team defeated MEC 58 games to 13 games, 9 sets to 1 set.

Joshua Powers, Zeb Potter and Jayden Coghlin won all of their sets. Lewis Redpath won two sets. All of the boys played well.

The Highview Junior girls team were defeated by MEC 49 games to 21 games, 7 sets to 3 sets. Ava Harrison, Bonnie Beavis, Ellen Barber and Francesca Howe played well.

The Highview Senior boys defeated MEC 56 games to 21 games. 9 sets to 1.

Stefan Maroudas & Jamie Beavis won all matches, whilst Darcy Kelly & Reed Smith won two matches. All of the boys played well.

The Highview Senior girls team played extremely well, winning 60 games to 14 games, 10 sets to 0 sets. Taylor Powers, Gina Beavis, Bianca Powell and Lucy McClay won all won matches.

Thank you to Mrs Pickering-Tyres for attending on the day.

BASKETBALL

The Highview Junior boys Basketball team played extremely well to record a big 74-25 victory against MEC. The Tatchell brothers Cooper and Oscar dominated in the front court, with Anden Leaver and Bailey Jacobs playing well under the ring. All players played well, and the year 7 boys enjoyed their first taste of secondary school sport.

The Junior girls basketball team had several year 7s in their first summer sports event. MEC had an older and more experienced team, and this showed as they were able to play good basketball and win 31-46. The Highview girls played well as the match continued and will be better for the experience. It was a good practice match ahead of the ICCES tournament. Poppy Johnson shot well to lead the scorers, Teagan Medlyn dominated the boards, Zali Mortlock and Lily McClelland played well. All girls played good team basketball.

The Senior girls were beaten 31-54 by a strong MEC team. The girls moved the ball well, and will continue to train hard ahead of the ICCES tournament. Maddison Farrell

and Jayne Maki were the standouts in a solid team effort.

The Senior boys were defeated 44-58 in an entertaining match. Year 12 students Jack Solomano, Connor O'Shea & Dylan Brereton led the team well. Fraser Tatchell & Sam Hobbs showed some good post moves, in what was an even team performance. Mr Jenes will train the boys hard during term 2 ahead of the ICCES tournament in June. All won matches.

CRICKET

The Junior cricket team played well in the game against MEC at Frank Graham Oval. Bowling first, Highview dismissed MEC for 160 runs. Tara McBean with 2/19 and Beau Govern 1/4 bowled well. Highview batted well, however couldn't reach the total, bowled out for 108. Charlie Chapman 29, Lachlan Bates 25 and Jai Howell 21 runs all batted well. Both teams showed great sportsmanship on the day.

The Senior cricket team played MEC at Jubilee Oval. Batting first, Highview made 87 runs. Brayden Wright 22 and Janelle O'Neill 13, batted well.

In reply, MEC chased down the runs losing 3 wickets, with Mick Malik, Brayden Wright and Janelle O'Neill taking a wicket each.

The teams finished the day with a short T10 match. Highview College won the match, with Liam Hurse hitting 34 runs from just 2 overs.

After the Summer Sports day, MEC 6 wins, lead Highview 4 wins.

Thanks to coaches Mr Dix, Mr Fox, Mr Jenes, Mr Treacy, Mr Briody, Mr Sutton & Mrs Pickering-Tyres.

We are looking forward to the Winter Sports Day to play Football, Soccer & Netball.

Mr Luke Treacy
Extra-curricular Co-ordinator

YEAR 7 THUS FAR...

The Year 7s have settled in beautifully and have not only found their feet but are now bounding through life as Secondary School students.

They have been very busy with lots of fun and interactive activities happening in and out of the classroom. One of the highlights for many was Highview's 'Support 7' Program. This program provides an opportunity for peer mentoring between Year 11 and the Year 7 students. During this week's session the Year 11s played off against the Year 7s in a cohort 'Tug of War', which saw the Year 7s walk away as overall victors!

I would like to take this opportunity to congratulate the Year 7s on making an awesome start to the year and wish each of them a safe and restful Easter break.

Miss Brogahn Richards
Junior School Co-ordinator

NAPLAN on paper – information for parents and carers

2018

Why do students do NAPLAN tests?

The National Assessment Program – Literacy and Numeracy (NAPLAN) assesses literacy and numeracy skills that are essential for every child to progress through school and life.

Students in Years 3, 5, 7 and 9 participate in the annual NAPLAN tests in reading, writing, language conventions (spelling, grammar and punctuation) and numeracy.

The tests provide parents and schools with an understanding of how individual students are performing at the time of the tests. NAPLAN tests are just one aspect of a school's assessment and reporting process; they do not replace ongoing assessments made by teachers about student performance.

NAPLAN tests also provide schools, education authorities and governments with information about how education programs are working and whether young Australians are meeting important educational outcomes in literacy and numeracy.

What will be tested?

NAPLAN assesses literacy and numeracy skills that students are learning through their regular school curriculum. All government and non-government education authorities have contributed to the development of NAPLAN materials.

To give you an idea of what the tests look like, see example questions at nap.edu.au/naplanexample

How can I help my child prepare for NAPLAN?

Help your child prepare for NAPLAN by reassuring them that the tests are just one part of their school program, and by reminding them on the day to simply try their best. Teachers will ensure students are familiar with the types of questions in the tests and will provide appropriate support and guidance.

ACARA does not recommend the use of services by coaching providers or excessive preparation. NAPLAN is not about passing or failing, but about assessing learning progress.

Participation in NAPLAN

All students in Years 3, 5, 7 and 9 are expected to participate in the annual NAPLAN tests.

Students with disability may qualify for adjustments that reflect the support normally provided for classroom assessments. A formal exemption may be granted for a student with significant intellectual disability and/or significant coexisting conditions, or for a student who has recently arrived in Australia and has a non-English speaking background.

Your school principal and your local test administration authority can give you more information on special provisions or the process required to gain a formal exemption.

Will my child sit NAPLAN on paper or online?

Your child will sit the NAPLAN paper tests in 2018.

However, children in some other schools across Australia may sit the NAPLAN online tests this year. Federal, state and territory education ministers have agreed that NAPLAN will move online over the next two to three years. State and territory education authorities will determine when their schools move online.

As students are presented with questions that test the same range of difficulty, regardless of whether they complete the test online or on paper, results for both formats will be reported on the same NAPLAN assessment scale.

To find out more about NAPLAN Online, visit nap.edu.au/online-assessment

Pastor Clive Buck - 0414 395 575

Want to host an Exchange Student?

Here is everything you need to know about hosting a **Students of the World** international exchange students in 2018.

The hosting experience...

Hosting is a wonderful opportunity to give a young person from another country an experience of a life time. Our international students are young people aged between 14 and 18 years. They are each seeking an experience to develop their independence, self-confidence and maturity, make new friends, improve their English language skills and be enriched by the understanding of another culture.

If you chooses to host an international student you will find that the whole family will gain something from the experience. By welcoming an international student into your home you and your family will gain a broader perspective on the world; will learn more about geography, foreign language, traditions and cultures, and make a lifelong international friend.

Don't just take our word for it, here is a testimonial from one of our past host families;

"It has been a real pleasure to host a student in our home and the whole family has enjoyed the experience enormously. We have learned so much about France and, even though our lives are a little different on either side of the world, we have found that we have so much that connects us. It will be very sad to say goodbye, but we have a lovely long friendship to look forward to."
Stephanie, Tasmania

Students of the World - Who are we?

Committed to providing every student with personal attention, **Students of the World** encourages cultural exchange, foreign language study and international education. We provide affordable opportunities for high school and university students to participate in international cultural visits and exchange programs.

Contact us if you and your family would like to host one of our upcoming students.

CAREERS

Become a keeper for a day!

Zoos Victoria is a place full of passionate conservationists committed to providing a safe place for species in the future. With over 120 zoo keepers employed, they provide world-class welfare and care to our native Australian and endangered animals.

These school holidays students can discover what it is like to work at Werribee Open Range Zoo and become a Keeper for a Day. Heading behind-the-scenes, students will get a hands-on experience of what it's like to work as a zoo keeper as they take part in the many duties keepers undertake on a daily basis, including animal enrichment and exhibit maintenance.

Students will get to see animals up close, speak with keepers about their jobs and experience and head on a special safari tour across the savannah.

'Keeper for a Day' is designed for secondary school students (years 7 to 12) who are interested in caring for wildlife and working at the zoo.

Event Information:

Dates: 3rd, 5th, 9th and 11th of April

Times: 9.30am – 3.30pm

Location: Werribee Open Range Zoo

Cost: \$115.00 per participant \$103.50 for Zoo members

Covered shoes must be worn. All participants must agree to follow Zoo educator instructions. Students will need to bring their own morning tea, lunch, water bottle and digital device to capture the moments!

Spaces are limited and bookings are essential. To book, please call 1300 966 784.

Apprenticeships and Traineeships

Apprenticeships and Traineeships are a great career option for students looking to combine practical work with structured training. Australian Apprenticeships (often referred to as apprenticeships or traineeships) are available to anyone of working age and you do not need a secondary school certificate or other qualification to begin your apprenticeship. There are many opportunities to train, study and earn an income in most occupations and traditional trades which offer a variety of qualification levels. Upon completion you will obtain a nationally recognised qualification and receive the experience you need to get the job you are looking for.

There are 5 simple steps to follow to help you find an Australian apprenticeship:

1. Establish your chosen career pathway. Visit websites, do the research and undertake the necessary quizzes to match occupations with your interests. (Visit <https://www.aapathways.com.au/careers-for-australian-apprenticeships-traineesh/interest-explorer-page> and <https://www.australianapprenticeships.gov.au/australian-school-based-apprenticeships>)
2. Discuss these options with your career advisers and

teachers

3. Write your resume. You will need to include your contact details, school studies, achievements, work experience, interests, skills and career goals.

4. Find an employer who is looking for an apprentice. This can take a little bit of time but being patient can be worth your while. Subscribe to the various websites online such as <https://jobsearch.gov.au/jobseekerapp>. Job Active has a 'Job Seeker' app which allows you to establish a job plan, browse and apply for jobs and track your applications.

5. Formalise all the paperwork.

YEAR 10

Work Experience

The final week of Term 2 (25-29 June) is Work Experience Week for all Year 10 students at Highview.

Students should be in the process of contacting businesses now to arrange their placement. It is an expectation that students find their own placement, however please do not hesitate to contact Mrs Howlett if assistance is required. Please note: if a student is wishing to complete their placement at a hospital, they will need to contact Mrs Howlett who will arrange the placement for them.

Once a placement has been found:

- Collect a Work Experience Arrangement Form from the Careers Office in the Technology Building.
- Have student, parent/guardian and employer complete and sign their sections of the form.
- Return Form to Mrs Howlett in the Careers Office (can be via the front office).

YEAR 12

VTAC Key application dates

Applications open: Mon 6 Aug

Close of timely applications: Thurs 27 Sep

Close of SEAS (Special Entry Access Scheme) applications: Fri 12 Oct

Close of Scholarship applications: Fri 12 Oct

VTAC App

If you haven't already, it is worthwhile downloading the VTAC smartphone app. It lets you discover over 1,700 courses listed with VTAC offered at 57 universities, TAFE institutes and independent tertiary colleges in Victoria. Its helpful functions include;

- Searching for courses by keyword or course code, filtering your results by institution, campus, area of interest, qualification type and application method.
- Entering your Year 12 study program into the prerequisite and course explorer, establishing a shortlist of courses.
- Enables you to create a VTAC account to check your ATAR and tertiary offer status.

Course content on this application is always updated so it is important to have internet connection to receive

amended information.

Australian Defence Force Gap Year Applications

Applications are now open for ADF Gap Year. An ADF Gap Year is a unique opportunity to experience military life without committing for a longer period. There are opportunities in the Navy, Army and Air Force.

Through an ADF Gap Year you'll:

- Gain valuable skills and work experience
- Enjoy a great salary package plus free healthcare
- Live a varied, active and healthy lifestyle
- Make friends with like-minded people
- Get the opportunity to see more of Australia

Requirements

- Australian citizen
- Aged between 18 and 24 years on admission
- Year 12 completion (required passes vary by job)

In 2019 there are 14 roles to choose from ranging from admin to artillery and even flight crew, plus this year 30 Army Officer roles are being offered - places are limited.

ADF Gap Year - Navy

Closes 9 April 2018

ADF Gap Year - Army Combat Engineer

Closes 9 April 2018

ADF Gap Year - Army Officer

Closes 23 April 2018

ADF Gap Year - Army Artillery Operator

Closes 23 April 2018

Meet Melbourne in Ballarat

Wednesday, 18 April 2018

Who should come?
Prospective undergraduate students, their families and teachers

Contact
meet-melb@unimelb.edu.au

The University of Melbourne will be visiting Ballarat to talk about:

- Courses and career outcomes, including the Melbourne Model with its many breadth opportunities and unique graduate pathways
- Making your new home in Melbourne, including housing options, connecting with others, and student services
- Opportunities such as studying a concurrent diploma, taking on an internship, going on exchange and scholarships
- Access Melbourne, our special entry and access scheme, which offers guaranteed entry to eligible students from rural and regional areas, and those with a disadvantaged financial background.

Event Schedule

- 6.00pm-6.30pm: Arrival and Registration
- 6.30pm-8.00pm: Presentation
- 8.00pm-8.30pm: Q & A session

Location

Craig's Royal Hotel
10 Lydiard Street South
Ballarat, Victoria

Projects Abroad

High School Volunteer Programmes

Cambodia / Fiji / Nepal / Sri Lanka / Thailand

- Supported – Local office, full-time staff & dedicated supervisor
- Safe – Prioritised safety & fully risk assessed
- Sustainable – Worthwhile, practical & educational projects
- Travel – Discover the world & travel with a purpose
- Growth – Build leadership, initiative, perspective & independence
- Social – Make friends with like-minded students

Overseas Volunteer Trips for High School Students

Projects Abroad offers a range of exciting two-week programmes for high school students in years 10 and 11. The summer projects for 2018/19 are based in Cambodia, Fiji, Nepal, Sri Lanka and Thailand. We also have a range of destinations available for our mid-year projects including Peru, Tanzania and Vietnam.

These projects give Australian students the chance to travel to stunning destinations where they can explore new cultures and make a difference in a supportive environment, alongside like-minded volunteers from around the globe.

Through practical, first-hand experience, students will learn the value of teamwork, leadership and cultural appreciation. These projects are a safe, sustainable and worthwhile way for students to discover the world around them and to learn more about their own strengths and capabilities.

Projects Abroad

Founded in 1992, Projects Abroad sends over 10,000 volunteers away annually to 30 developing countries, and supports over 1,000 individual projects in childcare, education, conservation, healthcare, and human rights. Projects Abroad placements allow the volunteer to make a positive impact and form a genuine connection to the community in which they work.

Projects Abroad Impact – A Global Effort

Joining a High School Project means a lot more than a trip overseas – as a volunteer you can contribute to our long-term goals and long-lasting positive impact on the communities we work with. We set these long-term goals according to local need to ensure our projects can adapt and develop along with the community. Projects Abroad places great importance on measuring our impact and appreciates the effort and contribution of all volunteers.

Sustainability and ongoing development are always in mind when setting our project goals, and we support ethical travel guidelines when considering each detail of our itineraries.

In 2017 alone, Projects Abroad hosted 1,700 volunteers aged 15-18 on our High School Projects – together these volunteers made incredible progress towards a number of our long-term goals.

2018/19 Summer Projects

December 9 – 22 & January 6 – 19

CAMBODIA	Care & Community
FUJI	Community Village Project
NEPAL	Care & Community
NEPAL	Building Project
NEPAL	Medicine & Healthcare
SRI LANKA	Care & Community
THAILAND	Conservation & Community

Can't wait until December to join a High School Project?
We run a variety of projects in the middle of the year as well. See inside for a selection of projects and visit our website to have a look at the full list.

A Day at Melbourne

6 April 2018

Picture your future

Choosing your degree is a big decision

With a program designed to help make your decision easier, a Day at Melbourne offers you the opportunity to find out about all aspects of life and study at the University of Melbourne.

This event is ideal for domestic and international students in Years 10-12 who have started to think about what they would like to study and are looking for more specific information. University and Faculty staff will be available on the day to answer individual questions.

You will be able to find out more about:

- How the Melbourne Model works
- Undergraduate degrees and pathways to graduate study at Melbourne
- Entry requirements and admissions information
- Accommodation options
- Access Melbourne and equity programs
- Scholarships
- Opportunities to enhance your study, such as concurrent degrees, going on exchange and more

Book School Interviews Online

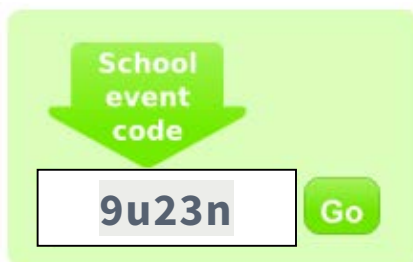

Dear Parents

Parent/Teacher/Student interviews will be held between **4.00pm – 7.00pm** on **Monday 26 and Tuesday 27 of March.**

You can now book interviews for the times that suit **YOUR FAMILY.**

Go to www.schoolinterviews.com.au and follow these simple instructions.

BOOKINGS CLOSE MONDAY 26 of MARCH at 9.00am

Go to

www.schoolinterviews.com.au

Enter THIS school event code.

Then follow the 3 simple steps.

When you click **finish**, your interview timetable will be emailed to you automatically - **check your junk mail folder** if you do not receive your email immediately.

You can return to www.schoolinterviews.com.au at any time, and change your interviews - until bookings close.

BOOKINGS ARE OPEN SO ALL FAMILIES MAY BEGIN BOOKING IMMEDIATELY.

Parents who don't have internet access can have their child(ren) access the booking site using computers at lunchtimes to make bookings or phone the school on 5459 1000 and Office staff will book when time allows. Interviews are up to **10** minutes. If you require more time, please contact your teacher directly and make alternative arrangements.

If there are no suitable times available on the schedule for a specific teacher, parents will need to contact the classroom teacher directly to arrange an alternative interview time outside the allocated schedule. Parents can change their interview times any time prior to the closing date, by re-visiting the www.schoolinterviews.com.au website, and using the code. Parents wishing to change their interview times after the closing date should contact the school directly on 5459 1000

"Wacky Wire Critterbug" workshop with David Archer

Coming up in Dunolly at the Ministry of Fun... Friday 13th April! 10am- 3 pm...in partnership with the Tiny Towns Arts Trail...and the Regional Centre for Culture

David is a recognised contemporary automata maker with over 25 years of experience, who hails from South Australia. He is inspired by the tradition of Victorian and Edwardian amusements and seaside piers, circuses and travelling carnivals, providing an escape into fantasy, often giving a humorous insight into the human condition. He uses all manner of 'junk' and recycled treasures in his creations, which blend art and mechanics.

Visit www.archersarcadia.com

"Wacky Wire Critterbug" workshops are a fun day where participants design and make their very own "Critterbug" using colourful wire, beads, aluminium shim, jewels, and small found objects to enhance their creation; the wackier the better!

The "Critterbug" will have flapping wings that move by a simple interactive mechanism and will be mounted on its own base, ready to be exhibited at the Tiny Towns Arts Trail exhibition... then taken home and proudly displayed.

5 hour workshop

Suits 11-14 years age group

10 participants max.

All materials and tools are supplied with this workshop.

BYO lunch... and snack.

Extra special price, \$25.00.... Place reserved on payment.

email ministryoffundunolly@gmail.com or text 0491 002 484..... to get payment options (bank details or pay by phone.)

Supported and subsidised...heavily....by the Regional Centre of Culture

General Excellence Scholarships for Year 7 2019

Highview College offers bursaries and scholarships to ensure that every interested student is able to access a Highview College education.

General Excellence Scholarships are available to Year 7 students for Years 7 & 8.

Year 6 students interested in applying for scholarships in 2019-2020 should showcase their experience in five areas:

1. Academic strengths
2. Leadership experience
3. Sporting involvement
4. Cultural involvement (Music, Drama, Art, Dance)
5. Community involvement

The application should be prepared by the applicant.

- Students should aim to showcase a breadth of experience
- References are not required
- Applications should be submitted electronically to highview@highview.vic.edu.au
- Please use your name as the name of the document

The closing date for scholarship applications is 3.30pm on Thursday 29 March 2018.

Applicants will be advised by the end of April.

'Come and see the Highview difference'

HIGHVIEW COLLEGE School Tours

Highview College Maryborough extends an invitation to join a tour of the school with our Principal.

The next tour
will be held on
Friday 20 April
at 9.00am

To register for a tour please contact our Registrar Kay Murray (03) 5459 1000 or email highview@highview.vic.edu.au
