ICCES WINTER TOUR

95 students and staff enjoyed a wonderful ICCES Winter Tour last week at the Shepparton Sports Precinct.

The standard of play and sportsmanship was exceptional, with all students representing the College with distinction.

Thanks to all of the staff who attended the trip and spent several weeks working with the teams.

We look forward to detailed reports early next term.

FROM THE ACCOUNTS DEPARTMENT

School Fee Payments – direct deposits

When making direct deposits into the Highview bank account for the payment of your fees please include a reference including your **surname and account number**. The details for bank deposits are found on your fee statement.

Fee statements are forwarded via email to the allocated fee payer for each student, so please make sure your email details are up to date. Term Fees are due at the beginning of each term.

If you have any queries, please email accounts@highview.vic.edu.au or phone 5459 1000.

Bus Passes

Bus passes must be obtained for students needing to travel on buses that they wouldn't ordinarily travel on. It is important that all students travelling on any of the bus services are accounted for.

Should your child need to travel on a contract bus, a bus pass should be obtained from Steve Broad at M.E.C. (5461 7900). Should your child need to travel on the Castlemaine, Newstead, Maldon or St Arnaud buses, a bus pass can be obtained from the Office - either in the form of a written note or a phone call from the parent or guardian.

Both passes require 48 hours notice.

Camps Sports and Excursion Fund (CSEF)

CSEF is provided by the Victorian Government to assist families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means tested concession card or are a temporary foster parent, you may be eligible for CSEF. The CSEF is paid directly to the school and is allocated to the school camp/excursion portion of the school fees. Forms will be accepted until 28 June 2018, however, forms are encouraged to be returned as soon as possible. Forms are available from the Office or our website.

For more information please refer to www.education.vic.gov.au or contact the Highview office on 5459 1000.

Accounts Officer

PRIVATE MUSIC PROGRAM 2018

We have the following instruments available for private music lessons:

Piano/keyboard
Guitar (Electric or Acoustic)
Bass Guitar
Voice

No prior musical knowledge is required just a sense of fun and a commitment to practice. Students participating in the instrumental music program are withdrawn from their normal classes on a rotating timetable for a 30-minute lesson. Cost is \$27 per lesson. There is also a number of opportunities for students to play in a range of performing groups throughout the year.

Please express your child's interest in the Instrumental Music Program for 2018 to Reception or email kcrutchfield@highview.vic.edu.au

DUKE OF ED

'The Duke of Edinburgh's International Award is about individual challenge and is designed to encourage young people to develop into mature and active citizens who positively contribute towards society.

It presents a balanced, non-competitive and enjoyable program of voluntary activities which encourage personal discovery, growth, resilience, perseverance, responsibility and service to the community.'

(Information extracted from www.dukeofedvic.org.au)

Highview College is proudly participating in this program for the first time and our students are currently enjoying their community service element.

RIDING FOR THE DISABLED ASSOCIATION (RDA)

For our Duke of Edinburgh community Service, Marshall, Nathan and I have been volunteering at the Riding for the Disabled Association (RDA) here in Maryborough.

The Duke of Edinburgh Award has four components: Skill, Physical Recreation, Service and Adventurous Journey.

RDA has been amazing, we have met so many amazing people and it has been such a great learning experience for us. We have been able to learn how to work with all different types of people, and horses for that matter, and even how to ride.

We are really enjoying going every week and are so thankful for the opportunity to volunteer there.

Phoebe Spragg - Year 10

If anyone is interested in volunteering at the RDA, please contact Judy Webb 0455 261 196 or email maryboroughrda@bigpond.com

ST AUGUSTINE'S PRIMARY SCHOOL

We chose St Augustine's as our preferred placement for community service because we believed we would be able to:

- Interact and engage with Primary students
- Develop leadership skills
- Improve planning and organisational techniques

Every week we teach a different year level a range of games relevant to their capabilities and preferences. Rather than doing classroom work (as we had expected), we actually teach the students games for 40 minutes.

Each week we plan for the coming weeks and speak to the students about the games they would like to play. We tailor the program to them and their interests. The students enjoy the games and always look forward to participating. It is very rewarding for us to see their enjoyment of the Program we are designing.

MISSION MONTH NEWS

This year, during May Mission Month, the Highview College community supported three local organisations: the local branch of the SES, the local branch of the Salvation Army and the local St Vincent de Paul Society.

We started with an orange out of uniform day in support of the local SES. Students raised \$395.30.

The next event was a red out of uniform day in support of the Salvation Army Red Shield Appeal. Students raised \$380.70.

The main recipient of our Mission Month efforts this year was the local branch of St Vincent de Paul. Students collected items with the help of their families, amassing a large amount of goods, including blankets, clothes, toiletries and food items. You also supported pizza days, a donut day and the balloon room, raising an outstanding total of \$2143.40.

Cheques were handed to representatives at last week's Assembly. It was gratifying to see what a difference we had made. The raising of awareness about the needs of others, particularly locally, and how we can help, is as important as the funds that were raised.

A heart-felt thank you to all families for your support. We do not take it for granted.

Ms Marion Martin
Director - Pastoral Care

The final Mission Month event was a 'Balloon Room' held by the Senior School Council and judging by the smiles, it was well received!

Major Prize winner -
Mr Skilton with his brand new Go Pro. Rumour has it that it was Mrs Skilton's anniversary present!

DEFYING THE DRIFT!

WHAT?

DtD is a program designed to empower young people to:

- Identify and explore agriculture and agribusiness career opportunities
- Build communication skills
- Develop career networks

WHO?

DtD is for year 10 and year 11 students

WHY?

Because there are great, high paying professional, entrepreneurial and trade careers in agriculture that young people need to know about!

WHEN?

Monday September 24, 2018 to
Wednesday September 26, 2018

WHERE?

Longerenong Ag College, Horsham

HOW MUCH?

\$200 Early bird price - pay by July 31
\$250 per student, sponsorship available.

More information at www.ruralsupport.org

DtD starts with a 3 Day residential program at Longerenong Ag College. There will be lots of new friends to make, inspiring agriculture role models to meet, places to visit and lots of fun.

The second part is a presentation by each participant at their sponsoring Rotary Club - a great chance to meet community leaders.

THERE ARE WONDERFUL OPPORTUNITIES FOR FANTASTIC, HIGH PAYING AND SECURE CAREERS IN EVERY WALK OF LIFE IN RURAL VICTORIA. WITH IT COMES A LIFESTYLE THAT CITY FOLK CAN ONLY DREAM ABOUT.

Agricultural careers have a bright future. The fact is the world's growing population needs to be fed and clothed and, with the average age of farmers approaching 60 years, young people are worth their weight in gold. Employers are screaming out for them. Jobs are often going begging.

While the traditional patterns of family farm succession are giving way to corporate style farming and land prices seem prohibitive for new entrants, there are great opportunities for careers in agriculture across the broadest range of personal skills, as well as the many professions, trades and vocations needed in every community.

With the huge interest in where our food comes from, the time is ripe for organic and innovative food production start-ups.

Since its inception in 2010 Defying the Drift has helped young people discover pathways through further education and work experience to great careers in agriculture.

Don't wait for the future - make it happen!

Early bird closing date for applications is July 31 2018.
Final closing date is August 31 2018

STUDY SKILLS ONLINE

Highview College has purchased a Study Skills Online program that is available to students and parents through SEQTA. This is one of the many ways we support independent learning skills. There is a direct link from SEQTA to the Study Skills Handbook, via School Links on the left of the welcome screen.

Some of the units are covered during DELTA lessons. Students can sign up for the tracking system so they can easily keep track of the units they have completed. It is a good idea for students to choose different units to work on over time (maybe try a new unit each month?) so they can develop their understanding of these important skills and reflect on the areas they need to work on. This specialist resource complements the skill development that takes place in all our classes.

Sometimes students think that 'study skills' is just something you need to be concerned with when you are at school. This is not the case at all. For example, most jobs will require learning and training, certification and assessment. Planning, managing workload and good time management skills will also be essential when students leave school. I'm sure many parents could vouch for this.

Study tip for July

The study skills tip for this month is taken from the unit that looks at the reflection process after a test is returned to students. One of the concepts outlined in this unit is that of 'kaizen'. The word Kaizen itself is derived from two different Japanese words, 'kai' and 'zen'. KAI, meaning: to change or modify; and ZEN, meaning: to improve. Small constant changes can make a huge difference to students' results. Only by reflecting on the way they learn and making changes can students improve the way they approach their work for school. The study skills handbook is a great tool to assist in this process.

This month's new resource is a handout – Student Holiday Planner. This helps students determine what work, if any, they need to complete in the holidays. You will find it at the bottom of the THINGS TO PRINT menu at the top of the page.

YEAR 8 ZOO EXCURSION

Yesterday we went to the zoo. First we had a talk about the endangered animals and how we can be their voice. We saw Snow Leopards, Penguins, Giraffes, Otters, Zebras and plenty more. We went to a hut where we learnt about some of the endangered animals. Then some of us got to pat a Corn Snake, but some of us were too scared. After we went exploring and saw some amazing animals.

After lunch we all got to go off by ourselves and go exploring more of the zoo. My friends and I got around the whole zoo and spent most of our time with the meerkats. We also visited the shop where we put a token with the endangered animal we most wanted to help by being their voice.

On the way back we stopped at a petrol station and could choose what we wanted to eat. It was a very long day for us, and it was worth it.

VCE PE

The VCE PE class has been in full swing for semester one! During this practical class students collected data after completing a gruelling 20 meter multi stage fitness test. This helped them analyse how the major body and energy systems work together.

Students also looked into factors causing fatigue and then experienced suitable recovery strategies including a freezing ice bath followed by a full glycogen replenishment from a buffet of food.

COLES SPORTS FOR SCHOOLS

Thank you to all the people who contributed to the 'COLES Sports For Schools' Program.

Highview College received 19,400 vouchers which has allowed us to purchase valuable Physical Education equipment which students will use in their practical classes.

Once again THANK YOU.

FOOTBALL MATCHES

Highview students were fortunate to play two (brief) matches of football against visiting inter-state school Narangba Valley High School yesterday.

All students were praised for their sportsmanship and the way the games were contested in good spirit by organising teacher, Mr Briody.

GRADE 6 EXPERIENCE DAY FUN

Year 6 Experience Day was a good opportunity to meet the Year 7s of next year and get to know their fears and excitements. It was also great to help them get past these fears and ensure they enjoyed the most of the time they had with us. It was amazing for them to see what our school is like and to help them find their way around. It was a fantastic day to be a part of!

SPONSORSHIP OPPORTUNITY

We invite you to be a part of Highview College's campaign in
THE 2018 RACV ENERGY BREAKTHROUGH

www.highview.vic.edu.au

Highview has had a lot success in their past years of competing in the RACV Energy Breakthrough:

2014 OPEN TEAM OVERALL WINNER - JUNIOR TEAM RUNNERS UP

Energy Breakthrough 2014 was very successful for the Highview College teams. The three school teams placed in the top 3 in their respective categories. The 'Dat Bass' Junior squad placed Runners Up. The 'Dia Dia' VCE team were very consistent across the event, winning the Design & Construction category and placing 3rd overall in the HPV C division. The 'Draggin Dutchman' HPV Open team were crowned the overall winners. The win was Highview College's 4th Overall HPV Open win in the past 13 years.

2015 ALL TEAMS PLACE IN TOP 4

The three school teams placed in the top 4 in their respective sections, a brilliant team effort! The 'Zazu' Junior squad, had several members participating in their first secondary school event. The team achieved high scores across all sections, including second in the race and were the overall winners. The 'D-Rex' VCE team placed 3rd overall in the HPV C division. The 'Brazilian Bullant' HPV Open team, as defending champions, performed well in all categories and finished 4th overall.

2016 WINNERS & RUNNERS UP

The three school teams placed in the top 2 in their respective sections, an incredible effort! The Finding E'FISH'ency Junior squad achieved high scores across all sections, including WINNING in the race and were the overall Runners Up. The 'Nevis' VCE team WON the race, WON the design & construction, and were the overall Winners in the HPV C division. The '#onlythebeginning' HPV Open team, performed well in all categories, including WINNING the display and presentation, and finished overall Runners Up.

2017 ALL TEAMS PLACE IN TOP 3

The three school teams all placed in the top 3 in their respective sections, a brilliant effort! The 'Emoji Go' Junior squad placed 2nd in the Display & Presentation, 3rd in the trial and 3rd overall. The 'Off The Grid' Middle School team finished 3rd in the trial, 2nd in the Display & Presentation and overall Runners Up in their B2 division. The 'Aziz' VCE team placed 2nd in the Display & Presentation, WON the trial and were declared OVERALL WINNERS of the C Division. Amazing work from all teams. The students are excited about the 2018 event!

Education Through Wholeness

HOW IS THE SPONSORSHIP USED?

There are many costs involved each year preparing for the RACV Energy Breakthrough. Some of these costs include building the trikes, maintaining and upgrading past trikes, entry fees, spare parts, safety equipment including helmets and gloves, just to name a few of the expenses for the race alone.

Your sponsorship will allow our teams to purchase new equipment and meet other expenses, including providing nutritious food to sustain our riders throughout this physically taxing weekend.

Each year, students at Highview put in a lot of effort for the RACV Energy Breakthrough. This year, we hope to make it our best year yet, and we would love your support.

TEAM SPONSORSHIP PACKAGES

GOLD - Money/Vouchers or goods to the value of \$300+

Over the past 10 years a number of businesses have taken up the major sponsorship on one of the trikes. This entitles your business to have your signage on the race trike, and a banner or sign in the Scout Hall area. Your business will also be acknowledged in the team presentations and any news articles associated with the racing team and the trike. What a great opportunity to promote your organisation over the busiest week of the year in Maryborough. There will also be acknowledgement in the Highview Herald (fortnightly school newsletter), School Magazine, the Highview Facebook page and in next year's training manual.

SILVER - Money/Vouchers or goods to the value of \$200

Your Name will be placed on signage and news articles associated with the racing team and the trike. Your name will also be mentioned in the Highview Herald and School Magazine.

BRONZE - Money/Vouchers or goods to the value of \$150

Your Name will be placed on signage and news articles associated with the racing team. Your name will also be mentioned in the Highview Herald and School Magazine.

Our Business: _____

Will sponsor the Highview Energy Breakthrough Team for \$ _____
(inc. GST)

And/or donate goods/vouchers or services such as _____

Or make a donation of \$ _____ (GST Free)
