ITEMS NOT SOLD THROUGH MACKS

Softshell Winter Jackets

Students can check their size by trying on samples available at Reception.

Orders close at the end of Term 1 Week 2 (allow 12 weeks for construction).

<https://indigowolf.com.au/highviewcollege/>

These may be worn with the School uniform and the PE Uniform, at Sport and to and from School. Orders made and paid for on line will be individually packed and delivered to the College.

School Beanies

These are available from Reception and may be worn in the Winter months only. Hats to be removed in class.

Lanyards

Highview College School Lanyards are available at Reception.

School Badges

All badges to be worn on the blazer lapel.

School shoes

Plain black leather school shoes, as pictured.

OTHER ADVICE

Body Decoration

Facial piercings, glitter, stickers, bangles (arm, ankle or anywhere else) are not to be worn. Only College-supported wristbands are permitted for the duration of a fundraising or awareness-raising campaign eg. Mental Health Week-Beyond Blue.

Earrings

Visible piercings are to be in the earlobes only (one pair only - one in each earlobe). All other visible piercings are to be removed while the Highview uniform is being worn – including nose, ear (other than lobe), tongue, brow, etc.

Plain Pearl Studs,
no bigger than 6mm

Plain Silver Studs,
no bigger than 6mm

Plain Gold Studs,
no bigger than 6mm

Silver or Gold Sleepers

No clear or skin-tone piercings are permitted and band-aids covering piercings are not acceptable.

Small, plain silver or gold sleepers or small, round silver, gold or pearl studs are permitted. No other earrings are permitted with the uniform.

Students who plan to have additional piercings, should do so after the last day of the academic year in December. This will allow sufficient time for healing to take place over summer and the additional piercing to be safely removed while the uniform is being worn throughout the school year.

There are four options in earring style permitted, one worn in the lobe of each ear.

Hair

- Well-brushed, neat and tidy and off the face at all times
- Hair which is long enough to be tied back, must be tied back (boys and girls)
- Ribbons, hairbands and headbands must be navy, white or red (single colour only)
- Hair should be a natural colour (avoid streaks and other effects)
- Extreme styles and cuts are not acceptable (seek advice from Heads of School regarding acceptable styles and colours before making a hair appointment)
- Hair should not be any shorter than a No. 2 cut
- No facial hair – clean shave
- Sideburns no longer than the earlobe

Jewellery

While wearing the Highview College uniform jewellery is not permitted other than a plain watch. A small symbol or locket is permitted (not larger than a 10 cent coin) on a plain, light, long chain (worn under a shirt and never visible).

Makeup

Light, natural looking makeup will be accepted. Excessive makeup will need to be removed while wearing the uniform.

Eyelashes

Light, natural looking makeup will be accepted. Enhanced eyelashes and excessive mascara / eyeliner are not appropriate while wearing the uniform.

Nails

Only clear nail polish is permitted. Other colours, false nails or enhanced nails are not to be worn with the Highview College uniform at any time.

Senior Jerseys

The Senior Jersey is a tradition for the graduating class. This is not a formal item of the Highview School uniform. These jerseys may be worn at the following times:

- during trial exam and exam periods
- on free dress days
- on sporting days
- on days agreed with the Head of Senior School

As leaders of the College, formal uniform is an expectation on every formal School day.

Tattoos

No visible tattoos of any kind are permitted while in uniform.

CASUAL CLOTHES DAYS

From time to time the College invites students to wear casual clothes to school. These are usually days when we are supporting a community initiative and usually have a theme. On these occasions, we seek to be clear about College expectations as to what is and what is not appropriate:

Students should:

- Be comfortable
- Respect the designated purpose of the day and comply with the advertised theme
- Make a gold coin donation to support the designated charity or event
- Ensure that the length of dresses, skirts and shorts is consistent with uniform policy dress length (length - no more than 15cm above the knee)
- Ensure all clothing is in clean and in good repair
- Wear enclosed and secure shoes (thongs, strappy sandals and slip-ons are never acceptable – runners are acceptable)
- Comply with all School policies relating to hair / jewellery / make-up / nail polish / facial piercings / glitter / stickers / bangles etc. which remain the same on free dress days

All clothing must be of a 'modest' nature:

- Avoid exposed midriffs (gap in clothing between the student's top and trousers, shorts or skirts - Tops must be long enough to tuck in)
- Do not wear short skirts, dresses or short shorts (length - no more than 15cm above the knee)
- Do not wear plunging necklines or expose cleavage
- Avoid gym workout gear
- Avoid shoestring straps
- Bra straps and underwear should not be visible through clothing
- Avoid tight clothing (both dresses and trousers)
- No 'skins', leggings or tights are to be worn without shorts or skirts over the top (of the correct length)
- Do not wear any item of clothing with language or graphics of a sexual, violent, profane or offensive nature or which advertises alcohol or other substances prohibited at school
